Американская верфь Sea Ray является Ford в строительстве судов. Не без оснований ее основатель жил в Детройте, центре automotive industry. In 1959, Connie Ray and three friends built the first boat in the garage of a small office, which he bought from the owner. By luring General Motors talented designer Harley Earle, Ray entrusted him with him of the first completely fiberglass vessels. Serial factory production was established three years later. Like car companies, they produce a new model every year, and by 1969 there were a dozen boats in their range. In the late 1970s it was the second largest American shipbuilder, and in 1986 the company was bought for \$350 million by Brunswick Boat Group, the largest manufacturer of pleasure boats in the world, which gave a new impetus to the development of the shipyard. The company operates three plants in the US state of Florida, two more in Brazil and Poland. Production is fully automated. The interiors of the yachts are tested using full-size layouts. In addition, the company has its own laboratory, where the components of suppliers are carefully checked, the latest materials are studied, weather conditions are simulated. This allows us to understand what will happen to the hull, constantly under the scorching sun or caught in the harsh conditions of the northern seas. The shipyard offers a wide range of vessels, from small outboard boats and cruise ship cabins that can be transported by car trailer, to luxurious 20-metre yachts of various types: gated hardtop cruise yachts, scheduled flybridge yachts, open cruise yachts. 1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30 31 32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52 53 54 55 56 57 58 59 60 61 62 63 64 65 66 67 68 69 70 71 72 73 74 75 76 77 78 79 80 81 82 83 84 85 86 87 88 89 90 91 92 93 94 95 96 97 98 99 100 101 102 103 104 105 106 107 108 109 110 111 112 113 114 115 116 117 118 119 120 0 121 122 123 124 125 126 127 128 129 130 131 132 133 134 135 136 137 137 137 138 139 140 141 142 143 144 145 146 147 148 149 150 1 2 3 4 5 6 7 8 Table Content 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 2 8 29 30 31 32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 47 4748 49 50 51 52 53 54 55 56 57 58 59 60 61 62 63 64 65 66 67 668 69 70 71 72 73 74 75 76 77 78 79 80 81 82 83 84 85 86 87 88 89 90 91 92 93 94 95 96 97 98 99 100 101 102 103 104 105 106 107 108 109 110 111 112 113 114 115 116 117 118 119 120 11 21 122 123 124 125 126 127 128 129 130 131 132 133 134 135 135 133 6 137 138 139 140 141 142 143 144 145 146 147 148 149 150 Knowledge - strength and the power that comes with knowing everything and all of your Sea Ray should always be within reach. For every question, there is a resource, and Sea Ray aims to make it all available to you. You can use our deep archive of guides, directories and data below, and use the information you crave. Sun Sport given European and international markets, Sea Ray Sun Sport is the boat of choice because only Sea Ray provides a boat with superb craftsmanship and a well-appointed cabin designed to duck out of the surf and sun or run for a night's rest. Sundance Comfort is the key to a full enjoying long weekend, an extra night that last hour on the water. The ® Sundancers line provides an idyllic boat experience. SLX SERIES When you spend time on the water, every moment should feel like a reward. That's why the Sea Ray family of luxury boats® SLX® insists on unusual. SDX series How our calendars get busy, we get more particular about how we spend our free time. And who we spend it with. The sea beam® SDX® is the floating embodiment of well-spent time. SPX SERIES Day aboard Sea Ray® SPX® one excitement after another. Our family of sports boats is designed to thrill your family, with every detail delivering the ultimate in style, performance and fun. Fun.
