The IPC Eagle CT40 ECS is a brand new floor scrubber that is the first in its new line of green cleaning equipment! The CT40 featured Eagles ECS, EcoCost Cleaning Solutions, a standard eco-friendly, low performance scrubber that uses a generally 90% less water and cleaning solution than a standard automatic scrubber. The new ECS systems can save up to 12,000 gallons of water, 150 gallons of chemicals and 250 working hours per year. The new ECS is really the Ultimate Green Cleaning Machine. We tested our demo unit in our store and we saw the CT40 results first hand, just using the water and basic functions of this machine, we saw a huge difference between the floor area we cleaned and the area we left alone. We didn't even use soap and we were all amazed by the results! List price: \$5,524 - \$7,864 NEW MACHINES AVAILABLE: CT40 B50 20 Battery scrubber scrub #CT40B50 - Choice brush or driver pads - Brush Driven - Battery Included Price: \$5,524 - \$6,546 CT40 BT50 20 Battery Scrubber #CT40BT50 - Brush Or Driver's Choice Battery Included Price: \$6,665 - \$7,686 CT40 ECS B50 20 Scarbber Battery #CT40ECSB50 - Microfiber Pad Holder - Onboard Charger - ECS: Microfiber or Diamond Pads List Price: \$5,895 - \$6,809 CT40 ECS 50 20. Battery Scrubber #CT40ECSB50 - Microfiber Pad Holder - Onboard Charger - ECS: Microfiber or Diamond Pads List Price: \$6,950 - \$7,864 EcoCost Cleaning Solutions What is ECS? The ECS is a high speed 600 rpm scrub deck that can be used with diamond or microfibre pads for aggressive, chemical free cleaning. Polished concrete floors: Physically removes the soil as it re-polishes the surface without the use of chemicals. Add lithium-based chemicals to regularly maintain any compacted concrete floor, or when the original polished surface is exposed to wear and a higher shine is desirable. - Resurface your floor: You can also polish the vinyl and epoxy floors where they have suffered from the deterioration of their surface treatment and you want to remove the top layer. Chemical free: Chemicals can be eliminated when used as a simple mechanical cleaning approach. Simple cleaning: ECS machines can switch to 180 rpm speed for traditional floor cleaning! REFURBISHED USED MACHINES AVAILABLE: Call for accessibility! 888-550-0945 CT15E35 Electric Drive CT15B35 Battery Drive ECS CT15B35 Battery Drive CT30 B45 Battery Brush Drive CT45 B50 Battery Brush Drive CT40 B50 Brush Drive CT40 BT50 Pull CT40 ECS B50 CT40 ECS BT50 CT51 B50 Brush Drive CT51 BT50 Pull CT71 CT50 Pull CT71 BT60 Pull BT70 Traction CT90 BT70 Traction CT90BT85 Traction CT105 BT70 Traction CT105 BT85 Pull T15 Not current model T10 Not current model 350 Not current model 450E Non Current Model Boxer Non Current Model CT100 Non Non Non Model CT12 Not current model CT60 Not the current model F36 Not the current model Gansy25 Not the current model GW21 Not the current model GW26 Not the current model GW34 Not the current model Panther28 Not the current model Panther32 Not the current model SK20 Not current model SK24 Not current model CT80 BT60 CT80 BT70 CT110 BT70 CT110 BT85 CT110 BT 85 ECS CT160BT95 CT 160 BT85 CT160 BT75R CT160 BT70 CT230 BT105 CT230 BT100 R SWEEP Tiger Non Current Model Rhino Non Current Model Titan 142-70 Non Current Model Titan 142-75C Non Current Model CT70 Rider Automatic Scrubber Non Current Model IPC Eagle CT40 ECS is a brand new floor scrubber, which is the first in its new line of green cleaning equipment!
