You can play games in 3D, super-fun shooting games and all popular puzzle games! No matter your taste in the game, we have great people for you. So, what are you waiting for? If you feel happy while playing our game, remember to bookmark FreeGamesAZ.Net and share it to your friends. Enjoy! Very good game. Got a trick while holding 4, pressing C (key to my personal attack) and continuing 4 leaves devotion on repeat constant treatment partner while being able to do other things like attacking. Be sure to buy a horse, attack someone on the front line and post him stimulating the head toward a nearby tree or something so you can't be attacking both sides, others will attempt to hit you and circle around. There's an issue with your army is huge on easy mode, keep trying to pull units, if not right click (another issue with movement is becoming dull on the world map), refreshing, it's fixable.
