Integrated Chinese Four-Volume Series designed to cover two years of college-level studies. Students develop communication skills in real life, discussing topics related to everyday life, and learn useful grammatical structures presented along with clear, non-jargon explanations. FREE shipping on Amazon. One of the hallmarks of the integrated Chinese language is its cohesive system of printed and digital resources: each volume includes a textbook, a work book, a character book, teacher resources and free audio. The series' holistic pedagogical approach ensures that students who do not speak English at the same time develop and strengthen their listening, speaking, reading and writing skills. DVDs of the 3rd edition can be used in the 4th edition. The series' holistic pedagogical approach ensures that students who do not speak English at the same time develop and strengthen their listening, speaking, reading and writing skills.
