Use pens or handles.q To protect against electric shock, do not immerse the cord, cork or appliance in water or other liquid.q Close surveillance is necessary when any device is used or near children.q Disconnect from the socket when not in use and before cleaning. Allow to cool down before putting on or washing off parts.q Does not work any device with a damaged cord or fork, or after a malfunction of the device or has been damaged in any way. Contact the Consumer Protection Service for examination, repair or electrical or mechanical adjustment. Or call the appropriate toll-free number on the cover of this manual.q Using attachment accessories is not recommended by the manufacturer of the device can cause fire, electric shock or injury.q Do not use outdoors.q Do not let the cord hang over the edge of the table or counter, or touch hot sur-persons, including stove.q Not in place on or near a hot gas or electric burner, or in a heated oven.q Extreme caution should be used when moving a device containing hot oil or other hot liquids.q To disable, press and hold the STOP button for 2 seconds, remove the plug from the socket.q Do not use the device for other than expected use.q Avoid contact. SAVE THESE INSTRUCTIONS This product is only used for the household. Have you lost your bread machine guide? Or maybe you got or bought on a model model and need to find the instructions of the bread machine as you don't know where to start. You may have found a website manufacturer, but it can be very difficult to find your way through their maze to get to the exact page you want. On this page you will see links to all the bread machine guides we can find, so you can get baking as soon as possible (we also included instructions on how to navigate your way to the correct part of the manufacturer's website). To help you find instructions for your bread machine, click on the links below to go straight to the section you need: If you can't find instructions for your exact model, it's definitely worth contacting the manufacturer their website - most will do their best to help you. If the maker of the bread machine is not listed here, or you have no luck at all in finding the instructions, this page has some really useful ideas for developing the potential of your machine by checking it has all its parts and some general instructions on how to use the baker. Breadman Bread Machine Guide eSalton Owners Guide - click on the link to get to the eSalton homepage. You should see the link in the bottom left corner to download MANUALS. Alternatively, you can click product information at the top of the page and then click the manual on the right side. This will take you to the Owners' Guide page. In choosing a brand box, choose Breadman and then click the show guide. You'll see a list of Breadman models, many with a link to the guide. Make sure you scroll straight down the page until you find the model you need. Guides you'll find on the eSalton website include: TR1000 I Love Bagels Guide TR2200 Ultimate Breadman Guide TR2200C Breadman Pro Guide TR2200WWC 2lb Bread Machine Guide TR220097 Bread Machine Guide TR2500BC 2lb Convection Breadmaker Guide TR2828 Double Bread The Handbrake TR300 Bread Machine Guide TR333 Breadman Guide TR400 Breadman Guide TR4000 Breadman Ultimate Guide TR440 Breadman 1 1/2 Pound Guide TR441 Breadman Guide TR442 Breadman Guide TR444 Breadman Guide TR500 Breadman (5001) Guide TR550A Bread Man Guide TR510 Bread Machine Guide TR510K Breadman Guide TR520 2lb Bakery Guide TR550 Breadman 2lb Guide TR550B 2lb Breadman Guide TR555 Bread Machine Guide TR555 Bread Machine Guide TR600 Bread Man Guide TR700 Bread Man Ultra Guide TR700C Breadman Guide TR720 Breadman Guide TR777 Bread Machine Guide TR777C Breadman Guide TR800 Bread Machine Guide TR800C Bread Machine Guide TR810 Breadman Guide TR845 Breadman Plus Guide TR846 Bread Machine Guide TR850 Breadman Plus with guidance 2lb Steel Machine Guide to the TR888 Breadman 2lb Vertical Guide to the TR900S Bread Machine Guide to the Panasonic Bread Guide Instructions for the Panasonic Range Bread Machine can be quite hard to find until you know where to look. Panasonic bread machine instructions can be found by clicking on the link and entering the model number of your bread machine in a box on the left side and then pressing the Go button. Don't worry trying to find a model by choosing a category like a bread machine, don't seem to appear! I found the recipe book for the Panasonic SD-YD250 bread machine quite easily through the above method, and it even contains all the starter recipes - you should try them to Your bread machine before you start experimenting with other bread machine recipes. A guide to the zojirushi bread machine, visit the zojirushi's food guide page, Sojirushi scroll down to the bakery section.
