Classic. They are the scourge of the existence of many high school students. And yet, we all have one or two (or 20) classic books that we had the meaning to read... Finally. But when you walk into a bookstore, you're instantly distracted by all these shiny new books, and it seems that up and coming YA authors probably need your money a lot more than Charles Dickens does right now. Fortunately for you, however, there is this secret, hidden kingdom known as the public domain, where you can read all the classics of your literary heart desires. Right now. Free. Websites such as Project Gutenberg have collected tens of thousands of public domain books for your reading pleasure. You can download e-books for your phone or Kindle, or just read them right there in your browser. So if you're looking for a free way to read more modern works, let me refer you to your friendly local library. But if you're looking to read on the classics right now without leaving your own phone, laptop or sci-fi eye implant, then here are a number of incredible books that you can find and legally read for free in the wilds of web-1'Pride and Prejudice' By Jane AustenPride and Prejudice is rom-com to the end of all rom-com. Just try not to fall in love with the awkward, rich, emotionally repressed Mr. Darcy as he goes about inadvertently ruining Lizzie's life (and finally embarrassingly sweeping her off her feet).2'The Count of Monte Cristo's Alexandre Dumas' the ultimate story of revenge still holds more than 170 years later. In the classic novel by Alexandre Dumas, a man is imprisoned for a crime he did not commit, and decides to deal with it by becoming fabulously rich and then completely destroy the men who imprisoned him.3'Dracula' Bram StokerThe most sexy vampire in modern media owes a huge debt to the original count himself. Bram Stoker's Dracula is rightly known as one of the greatest horror stories of all time, complete with blood-sucking, changing shapes, and one very charismatic Transylvanian.4'Alice's Adventures in Wonderland' By Lewis Carroll5'Samperich classic children's books are still great to read for adults. Join little Alice as she falls into a rabbit hole and deals with all kinds of strange nonsense, constantly eating unidentified objects and changing sizes around the place.5'Adventures of Sherlock Holmes Arthur Conan Doyle Sherlock Holmes, everyone's favorite annoying detective, along with his long-suffering buddy, Dr. John Watson. Read all about their adventures in this collection of mysteries, and put your own deductive powers on test.6'Frankenstein; Or, Mary Wollstone's Modern Prometheus Shelley Will probably know the Frankenstein monster as flat top guy with neck bolts. But if you're reading Mary Shelley's original novel, you'll just find that Frankenstein's real monster is a sensitive giant child-human child-man speaks French and just wants to be loved.7'Incidents in the life of a slave, written by yourself' Harriet A. JacobsIncidents in the life of a slave collected memories of Harriet Jacobs, who survived slavery in North Carolina and seven years hiding in a tiny, coffin-like room. She eventually ran away to be reunited with her children in the North, and wrote this beautifully nuanced account of her life and her perilous path to freedom.8'The complete works of William Shakespeare's William Shakespeare Look, you really shouldn't read all of Shakespeare. But you have the opportunity, with this free edition full of work. Here you'll find all of Shakespeare's latest plays, from classic tragedies to forgotten comedies in very, very long histories.9'Jane Eyre: The Autobiography' by Charlotte Bronteyan Eyre is a great book to read if you're considering marrying your boss, but you haven't checked his loft for any lurking ex-wives. It's a classic coming-of-age tale, a gothic novel, and a wonderfully modern take on being a young, independent woman.10'The picture of Dorian Gray's Oscar WildeThe Painting by Dorian Gray teaches us all a valuable lesson: hot guys are evil and shouldn't be trusted. Sure, there's a little more than that, but you just have to read it for yourself and find out.11'Anne green roofs L.M. MontgomeryOhn of two of the best spunky red-haired orphans named Anna, Anna Green Gables is that rare, delightful character that never seems obsolete. She's always there to cheer you up with her various scraps and fantasies and her bucolic Canadian country life.12'Ulysses' James JoyceUlysses is famous for being long and confusing, but now you can check that reputation for yourself. Of course, Joyce's writing style is a bit unconventional, but if you can go through a forty-page run on sentences, you may find that Ulysses is one of the strangest, funniest, most beautiful human books out there.13'Little Women' Louise May AlcottFour sisters grow up together in Louise May Alcott Little Women, dealing with minor trials and devastating tragedies as they go. It's a coming-of-age story that puts the sisterhood front and center, in all its joys and disappointments.14'Narrative of the life of Frederick Douglass, the American slave Frederick Douglass15'Les Mis'sables Victor HugoVictor revolutionized the idea of writing fiction for social change with his stunning (and very long) novel, Les Mis'sables. Hugo tells the stories of various French citizens, all revolved around Jean Valjean, a man who was jailed for nineteen years for stealing a loaf of bread.16'The great hopes of Charles DickensOne of Dickens' most beloved works of fiction, Great Expectations has many Dickensian orphans, reversals of fate, poverty, crime, and one terrible spinster in a rotting wedding A thousand leagues' under water by Jules VerneLet's clean it up once and for all: twenty thousand leagues refer to distance traveled while underwater, not depth. They are not twenty thousand leagues deep. It's also one of the greatest toughest sci-fi novels ever written.18'Poems Emily Dickinson Emily DickinsonJoin your new best friend Emily Dickinson for a reclusive journey into nature, where you could freshen up against all sorts of colors, and probably death yourself.19 'Souls of the Black People' V. E. B. du BoisIf you heard the phrase double consciousness, it is a reference to the souls of the black people of V. E. B. du Bois. One of the founding papers in the history of sociology, this book collects some of the founding essays on race in America, still too relevant today.20'The Works of Edgar Allan Poe Poe - Volume 1 Edgar Allan Poe Poe Works by Edgar Allan Poe can be found on the Internet in several disturbing volumes, complete with all his eerie poetry, his murderous tales, and everything in between.21's Awakening 21 And Selected Short Stories' Kate Chopin Awakening is often credited as one of the first modern feminist novels. Chopin's heroine gradually wakes up to the fact that she, like most women, is systematically oppressed by society. So Edna decides to take her life into her own hands, no matter what her husband or anyone else wants for her. Country Living editors choose each product. If you buy a link, we can earn a commission. For less than \$5, you can gather timeless wisdom from classics like Dale Carnegie How to Win Friends and Influence People, build your economic background with world-changing texts like John Maynard Keynes's General Theory of Employment, Interest, and Money, and get an insight from ancient texts like The Reflections of Marcus Aurelius. Several contemporary classics like Susan Kane's Silent: The Power of Introverts in a World That Can't Stop Talking are also available. If you have a Kindle and a few bucks to spare, it's time to get a reading. Price: \$0.99 Ancient Chinese military classic Sun Tzu has become a must-read for executives around the world. Rick Wartzman, Director of Directors The Drucker Institute, writes in Forbes, that the influence of books outside the battlefield is due to a focus on the basics of governance and competition. This explains how you can outlive an enemy that is more powerful through patience and focus energy. Buy it here: \$0.99 Marcus Aurelius was the great Roman emperor known as the Philosopher of the King. His personal writings from the end of his life have been collected as Meditations, and have remained relevant for nearly two millennia. Marcus's reflections offer eternal wisdom in human nature, as well as tips on how to maintain self-control and determination in the face of adversity. Buy it here for a price: \$0.99 Italian political theorist Machiavelli's most famous work inspired by a wildly diverse group that includes Thomas Jefferson, Napoleon, and gangster John Gotti. Machiavelli's plan for being a ruthless and manipulative leader has been interpreted in different ways and remains controversial. Buy it here for a price: \$2.51 The Road to Wealth is a collection of whimsical but wise advice from U.S. founding father Benjamin Franklin and is the source of many of his most popular proverbs. Buy it here at the price: Free Adam Smith set the foundation for the classic economy (supply creates its own demand) in Wealth Nations, which is a study of free markets, productivity and division of labor. Buy it here for a price: \$3.99 George Samuel Clason uses a series of colorful parables to teach the basics of personal finance. He remains the main seller, especially as a gift for college graduates just beginning in the real world. Buy it here for a price of \$2.99 There have been over 15 million copies of Dale Carnegie's book sold since its first publication. He offers timeless advice on how to climb through the corporate hierarchy or build your business by selling history and making important connections. Buy it here at a price: \$1.99 This is widely considered a masterpiece by economist John Maynard Keynes, and his theories have greatly shaped modern macroeconomics. Paul Krugman is one of the most vocal Keynesians to date. Buy it for the price: \$0.99 Napoleon Hill's guide to success is one of the best-selling books of all time. His key takeaways on how to be more likeable, sustainable and productive will never come out of date. Buy it here at a price: \$1.99 Joseph Schumpeter was one of the most influential economic theorists of the 20th century, and this is his most readable work. Schumpeter is responsible for popularizing the term creative destruction and was one of the first to explore the role of entrepreneurship and innovation in capitalism. Buy it here at a price: \$4.59 Og Mandino tells the story of a poor traveler in the ancient Middle East who is working his way to Abundance. His charming history and valuable information about motivation and sales sales made it a bestseller. Oscar-winning actor Matthew McConaughey said the book inspired him to never take no for an answer. Buy it here at a price: \$2.99 Nobel Prize-winning psychologist Daniel Kahneman divides human thought into two categories: one fast, intuitive and emotional, and the other slow, deliberate and logical. In addition to learning this concept, he explains how fast and slow thinking can be balanced to maximize success in the workplace. The book topped the list of the best books of 2011, including the New York Times Book Review and the Wall Street Journal. Buy it here at a price: Susan Kane's \$2.99 book on introversion is a rejection of the traditional idea that only extroverts can be leaders in their fields. This explains how managers can maximize the value of their quieter and more introverted employees and how introverts can best communicate with extroverts. Buy it here at a price: \$4.99 Men far outnumber women in senior positions around the world, and Facebook COO Sheryl Sandberg says that women should take responsibility for changing it themselves. Sandberg's book launched the Lean In movement for women's empowerment, which helped start a global conversation about women's equality in the workplace.
