When you cook on a budget, delicious dishes such as grilled chicken or artisanal pizza sound like fancy stuff - if you have a toaster oven is capable of bringing these fantasies to life. Whether your kitchen really lacks a standard oven or you're just looking for a cheaper way to cook dinner, the best toaster oven under \$100 will help you whip up delicious, sizzling entrees in a compact and energy efficient manner. If counter space is a problem for you, don't be afraid: Even the smallest toaster ovens can skillfully cook your food with ease. While a conventional oven prepares food, surrounding it with hot air, most modern toaster ovens use a convection method in which a fan placed in the back of the oven blows warm air directly onto the food to promote rapid and even heating. Using large-capacity toasters - or even one of the best mini-toast stoves - you can fry, fry, toast, heat and bake. As a bonus, many of them come with additional features like baking pans, removable tongs, or even grilled skewers. From the best toaster oven to cooking two casseroles at once to a magical combined device that provides you with your own griddle, here are four of the best budget toaster ovens to help you prepare the delicious and high-quality dishes you craved.

- 1 Overall Best Toaster Oven under \$100BLACK-DECKER Digital Convection Countertop Toaster, is one of the best toaster ovens on the market for several reasons. With 20 percent faster cooking times than previous models and a 120-minute timer that includes automatic shutdown functionality, this is the perfect toaster oven for those who want to cook on the fly without worrying about burning anything. The digital panel allows you to have precise control over the time, temperature and cooking functions (oven, broil, toast, bagel, warm up, etc.). This oven can fit up to 12-inch pizza or six slices of bread, and it includes three different cooking rack positions, so you can prepare a wide range of dishes just like its 2000 satisfied fans.
- 2The best big-capacity Toaster OvenHamilton Beach Countertop Oven MeterAmazonWhy you're hosting a small dinner party or you're just trying to get a weekly meal done all at once , this large capacity toaster oven will be your dream come true. With two spacious oven racks, two baking pots and a removable drip tray, she can literally cook two casseroles at the same time without problems. This oven also has a rotating grill function and skewer, so you can treat yourself to sizzling fried chicken whenever you want. Its timer can reach up to two hours and users love the size and functionality of this device One fan praised the fact that they can now fry the whole whole without having to cut it into smaller pieces to fit inside the oven, and another noted that it's as good as my full-size oven, better actually. Just keep in mind that a few users, though very happy with the oven, did note that it takes up a lot of space, so if you lack counter space, you can look at one of the smaller options in this list.
- 3The best 2-In-1 Toaster oven with Griddle on TopMaxiMatic Elite Kitchen Toaster OvenAmazonIf your breakfast is a little harder than a couple of slices of toasts, it's a toaster and oven grille can be a toaster. Featuring a non-stick grill and grill function (plus a dome lid) that rests directly on the upper body of the oven, you can prepare eggs, pancakes, sausages, and all kinds of other foods in addition to the typical items that you'd bake or fry in a standard toaster oven. MaxiMatic has an adjustable temperature control handle that ranges from 150 to 450 degrees Fahrenheit, as well as a 60-minute timer with automatic shutdown and a signal that will alert you when your food is ready. A happy Amazon customer said they love the little comfy compartment on top because it keeps the food beautiful and warm, while another fan used it to steam the vegetables. From several five-star reviews, one satisfied user summed up this device by writing: It's easily worth every penny that we paid for it.
- 4 Best Mini Toaster Oven With The Lowest PriceHamilton Stainless Steel 4 Slice Toaster Oven AmazonFor under \$35, this affordable toaster oven will not only toast, bake and broil all you need - it will also use up to 75 percent less energy than a typical kitchen stove and run 28 percent faster. Although it doesn't have as much capacity as the other options on this list (it's technically a mini oven toaster designed for a 9-inch pizza or four slices of toast), it takes up less counter space. Despite its small size and incredible price tag, this Hamilton Beach oven includes a baking pan, a 30-minute timer with automatic shutdown function, three different cooking settings, and two stand positions to accommodate any item you cook. Bustle can get a portion of the sales from products purchased from this article, which was created independently of Bustle's editorial and sales departments. Toasted bread quicklyGood on broilingCan roast four-pound chickenCan hold 12-inch pizzaThe top rack has a stop function to prevent it from being pulled from the ovenConvection cooking capabilitiesInterior has an unstick coating for easy cleaning All accessories dishwasher-safeManual very careful and comes with recipesExcellent customer serviceDidn't toast bread Party after batchDifficult for fine-tuning toastTook a long time to bake potatoesTough to match six slices of bread in ovenOnly shuts down automatically when when Cuisinart's Convection Toaster Oven Broiler isn't the biggest on the market, but it's a powerhouse: It can fry four pounds of chicken or heat a 12-inch pizza. He also toasted the bread quickly, although the results did not match from party to party. The interior is non-stick for quick cleaning and all Cuisinart accessories are dishwasher safe. cuisinart.com. You may be able to find more information about this and similar content on piano.io Air fryers have become a staple household product for many people, thanks to their ability to replicate the crispy taste of fried food without all the unhealthy oil. (Here's an in-depth explanation of how the air fryer works.) But with so many models available today that it can be hard to choose a one you want a no-frills model? Air fryer-toaster oven combo? One with presets for your favorite foods? Before you commit to buy an air fryer, use our shopping guide to find the perfect model for your needs. We have collected the favorites of our test kitchen as well as the most rated air fryers on the market. Check out our full guide to air roasters, including the best recipes, cooking tips and more. What to consider when looking for the best air fryer for YouAir fryers is still a relative newcomer to the market, and there is plenty to consider. We recommend starting with a budget. You want to think about how much you should spend on a deep air fryer. These appliances can cost anywhere from \$50 to a few hundred dollars, so it's important to balance your budget with the features you want. Before you get into the kitchen store, ask yourself: How big of a fryer is the air I need? Do I need pre-installed options? What about additional features? The answers to these questions, as well as the recommendations and experience of our Test Kitchen, will help you choose the perfect model for your family. The final guide to Air FryersConsider CapacityTypically, these appliances have a capacity of two to seven quarts, and because it's key not to overflow the basket when cooking, you'll want to think about how much food you plan to make in it. However, keep in mind that the larger the capacity, the larger the device and the more counter space it will occupy. Air Fryers of all sizesAdd on presets for popular Foods Looking Forward to lots of french fries with deep air fryer? Or maybe a huge batch of wings for game day? If you plan to cook specific dishes (such as these air frying products) with your new appliance, you can look for a model model pre-programmed settings that will make the process easier. For example, the deep-fried Cosori has presets for 11 items from chicken and steak to vegetables and dessert. Air Fryers with built-in PresetsCheck's extra featuresSome air fryers have additional functionality that will make them a more versatile tool in the kitchen. Air fryer toaster oven: One of the most popular combinations, these air fry resemble traditional toaster ovens and can be used for baking, broil and toast. Dehydration Fryer: If you like dehydrated fruit or homemade beef jerky, the dehydrating ability of the air may be a good option for you. Air fryers grill stoves: Many people love the taste of wet grilled chicken, and air fryer grill plate combo allows you to make this delicious dish at home. Instant pot air fryer lid: have no room for another device? This handy cover turns your trusty Instant Pot into an air roaster! Air Fryers with added FeaturesThe Lower LineStill need help in making a decision? Our Test Kitchen Pros have put a few air fryers through the steps, considering the features of each one, ease of use and performance. More recently, PowerXL Air Fryers caught our attention. This model had everything we wanted - a big basket, fast heating time, intuitive controls and more. If you're still on the fence or trying to choose between models, try our best bet. Recipes that put your air fryer to work Put your air fryer to work! This handy gadget can do almost anything from appetizers to main courses and even desserts! You'll find details of the recipes in this video in the next 5 slides. By the way, that's what an air roaster really does for your food. Taste HomeI called it America's most beloved air fryer chicken. The secret is in breading, which makes the chicken super moist and fragrant, its and golden brown. -Elaina Morgan, Rickman, TennesseeTaste HomeThis is my go for Thanksgiving garnish-healthy, easy and very quick to make. This food is not only budget, but also hot, cheesy and tasty. -Joan Hallford, North Richland Hills, TexasTaste of HomeAir-deep-fryers pork chops are so delicious and so easy to make. My husband loves them. -

Lynn Moretti, Oconomowoc, WisconsinTast HomeChickpeas are a common ingredient in many dishes in Pakistan, where I grew up. I incorporate tastes of my home country when cooking for my American daughters. I combined the light spice of Pakistani foods with a love of fried fingers that many Americans, including my daughters, enjoy. To eat, dip warm, roasted pancakes into chilled yogurt. Enjoy snacks, snacks or as part of the meal. -Shahrin Hassan, York, PennsylvaniaTaste from HomeThese Air Fryer spring rolls great snacks to wait in the freezer! While in the Bahamas, friends offered a restaurant that serves amazing chicken spring rolls. When I got home, I created my own version. -Carla Mendres, Winnipeg, ManitobaTaste HomeThis recipe is one of my husband's favorites because it reminds him of his German roots. Cooking pork schnitzel in an air roaster is a genius because we can eat in one minuscule. -Joyce Faulker, Paravan, UtahTaste HomeThis for fans of red and green tomatoes. When I ran through this recipe, I had to try it and it turned out to be so delicious! -Barbara More, Millington, MichiganAst HomeI love this recipe for a freezer. I'm not a big fan of fish, so any mix that makes me love fish keeper in my books. Wonderful served with good buttery rice pilaf grass, and corn muffins with butter and honey! -Kelly Williams, Forked River, New JerseyTaste HomeThese air fryers French toast cups make any morning special. I made this recipe for my mom's last Mother's Day and we both enjoyed it. -Sandi Tuttle, Hayward, WisconsinTaste from HomeI adore combo pears, blue cheese and walnuts in salad, so I turned them into this recipe for ham and cheese turnover, and they were a hit. I added black forest ham to make it a meal in one. Just add a field green salad with balsamic vinaigrette, and you have a decadent (and healthy!) dinner. -Tricia Kruse, Eagle, IdahoAst HomeMy husband loves crispy coconut shrimp and po'boys, so I combined them with spicy remoulade and vual! This air-deep shrimp fryer is a big hit with family and friends and is often requested. For the po'boys soma, replace the cornflour with the coconut and add a few minutes to the cooking time. -Marla Clark, Albuquerque, New MexicoTast HomeWant to score indoor s'mores? Try these air fryer crescent rolls made with Nutella. Kids will love to help with this rolled up version of the campfire classic. -Katie Trochelman, Brookfield, WisconsinTaste of HomeA Cuban Classics, these satisfying, crispy potato balls filled with a savoury mixture of ground beef known as picadillo. We love this dad rellenitas recipe! -Kelly Castle Marina, Canyon Country, CaliforniaTaste HomeI love these any case snacks. Season them with chopped jalapenos, if desired. «Mash; Mark Webber, Valdez, AlaskaTaste of HomeTired of the same old beef mince burgers? These quick air fryer burgers, with their creamy cheese filling, will wake up your taste buds. -Sherry Cox, Lucasville, OhioTaste HomeI live in Tennessee and absolutely love our famous Nashville hot chicken. To make cooking easier, I thought I'd try to fry the air. I'm so glad I did-it's almost better than the original. -April Lane, Greenville, TennesseeTast HomeBeing landlocked in the Midwest, my kids always thought they didn't like fish. This salmon dish with air fryer definitely changed their mind! I grill it a lot in the summer months, but found it just as tasty and comfortable in the air of a fryer, especially on those busy days! -Jill Fisher, Portland, IndianaTast HomeThis is my view on fried tortellini. Air-fryer Italian street food recipes like this one, crunchy, gooey well. For the sauce, use the best quality tomatoes you can find. -Angela Lemua, Howell, N.J.Tast of HomeAir-friser carrots make super to taste and a breeze for cooking. Also, I can get my husband to eat these fragrant, deeply spicy vegetables. Taylor-Taylor Brandon, FloridaAth family HomeMy raves about these air fryers chimichangas. Infused with green chili, sturdy snacks are guaranteed to spice up the party! -Katie Rogers, Hudson, OhioAst HomeBurritos are the perfect dinner for the whole family, especially this quick and simple recipe. Don't be afraid to load the burrito with pork, beans, cheese and rice. -Fiona Sels, Pittsburgh, PennsylvaniaAthus HomeThis cinnamon treat reminds me of baklava; but with only a few simple ingredients, it's part of the job. My Aunt Adele has shared the recipe with me and I think of it when I do it. This is one of my favorite snacks for frying air! -Sue Falk, Sterling Heights, MichiganTaste HomeThis air fricker acorn squash recipe was passed to me by my grandmother, who always served it on Thanksgiving. Now I do it whenever I feel nostalgic. -Rita Addicks, Weimar, TexasTaste HomeI'm always on the look back of meatballs that pack a sweet and savoury kick. This snap pull together and can be served on rice or butter noodles. -Tami Kuehl, Loup City, NebraskaTaste HomeKids and adults alike will devour those comforting yet special pockets. With creamy mashed potatoes, raw cheese and fragrant seasonings, what's not to love? -Taste Home Kitchen Trials, Milwaukee, WisconsinTast HomeThis Air Deep-Fryer pork is a great dish to make on a weekday and it's special enough for company. The recipe begins with a pork tenderloin, which is quickly cooked and economical compared to many meat dishes, and tastes delicious. -Lee Rys, Herndon, VirginiaTaste HomeCoconut and panko crumbs give this spicy air-freezer shrimp its crunch. Perfect for a snack or for a basic meal. -Debi Mitchell, Flower Mound, TexasTaste HomeThis recipe is the perfect combination of savoury and sweet. Bourbon-soaked bacon adds a smoky, savory, bold taste to cinnamon buns. Ginger and pecan topping makes for a crisp, spicy finish. -Shannen Casey, Berkeley, CaliforniaTaste HomeThese cream stuffed jalapeno have a bite. They may be the most popular treats I make! My husband always hints that I should make a party. -Lisa Byington, Johnson City, New YorkTaste of HomeChicken Fingers has long been my favorite. In fact, almost any finger-shaped deep-fried goodie rarely escapes my reach. These chicken air sticks took a lot of blame out of my guilty pleasure. -Diana DeGarmo-Carr, Alexander, ArkansasTat HomeI love the flavor profile of all bagels, so I re-created it with traditional breaded chicken fingers. Serve them with your favorite dipping sauce. -Cynthia Gerken, Naples, FloridaTaste HomeI have used this method of frying with slices of eggplant for years and decided to try it for my green tomatoes. It worked! Now my family loves them in BLTs. The New HampshireTaste of The HomeOur family loves roasted green beans, but they can take a long time in the oven. I tried these air fryers green beans and we loved them! -Courtney Stultz, Weir, KansasTaste family HomeMy adores this chicken recipe. The coating keeps the chicken beautiful and moist, and tastefully enhanced by marinating, the result is delicious. -Stephanie Otten, Byron Center, MichiganTaste of HomeI love a Reuben sandwich, so I tried the same classic filling in a pizza pocket rather than on rye bread. This portable dinner is a big time winner in our home. -Nicky Fry, Evansville, INTaste from HomeTired of the same old mince beef burgers? These quick air fryer burgers, with their creamy cheese filling, will wake up your taste buds. -Sherry Cox, Lucasville, OhioTaste homeHere is a refreshing version of my grandmother's sugar cookie recipe. Lemon pudding mixture and icing add a subtle tartness that shades your taste buds. -Melissa Turkington, Camano Island, WashingtonTaste HomeI never ceases to amaze to see warm chocolate pudding y! from the center of this delicate chocolate cake. These cakes are showtopper on a plate! Serve lava cakes with whipped cream or ice cream. -Carolyn Croxer, Colorado Springs, ColoradoTaste HomeMy father and husband love bourbon flavor, so I add it to the spicy air wings fried in peach canned food. Go back and watch these wings fly. -Christine Winston, Richmond, VirginiaTaste of HomeThese Air meatball fryers were created as snacks for a friend's wedding and became a hit. Now we enjoy them often in our home. -Steve Hansen, Redmond, Washington, Washington
