Download Last Day on Earth MOD APK 1.9.6 Download Last Day on Earth MOD APK 1.9.6 Last Day on Earth is a popular survival shooter game. The Survival Shooter of Last Day On Earth is set in a post-apocalyptic world: in 2027, the world has experienced an outbreak of an unknown infection that has destroyed almost the entire human race. And it didn't stop there. All these dead began turning into zombies and those few survivors who have resistance in the blood trying to survive on the ruins of the once great world. And now the survival of your character is only in your power! Keep an eye on your character's life statistics, such as hunger and thirst, collect valuable resources for crafting, building weapons and transporting different types, or use what you have at hand: a bat or a road sign. Everything will come in handy for killing dozens of... Hundreds... Thousands of zombies! Defeat intruders on your land not only with your strength, but also with cunning - build fortifications with traps or go raid other survivors t...
