See more positive review TopTo all positive reviews> Lu5.0 of 5 starsThe largest cereal on the planet is seen in the United States on December 7, 2017The cereal from around the planet is reduced! If I was thrown on an island and had to choose a food it would be a crunchy waffle cereal. I can't believe the shops in our city don't sell this... It's his loss. Apple Market use to sell off this brand weekly. Now they were bought for 24 hours and I'm hooked on orders these online. I just hope post and Amazon work a little pantry deal because maybe I could get cheaper!!!! This item does not belong to this page. Thank you, let's look at it.
