Download Guests can't ask for updates! Muse Dash is a colorful music arcade game with anime graphics. In it, the user will overcome different levels under the winding compositions in the company of three beauties. To pass the player needs to click on the screen to the beat of the music, so that the heroines could collect bonuses and break obstacles in his way. In some cases, you need to press the button for a certain time. During the game, gamers will be able to enjoy a bright visual, a lot of songs, fun gameplay and simple control. Andro-Mod Games Mod Muse Dash (MOD, All Open) Muse Dash - casual arcade, interbreeding elements of the infinite runner with acrobatic techniques and parkour, and a musical puzzle, requiring time and necessarily to the tact to press the emerging buttons. In addition to entertaining gameplay, the developers of the X.D. Network have provided a curious story, allow to fight for positions in the leaderboard and even remind you of the ability to download your own music for several optional stages. Impressive arcade Muse Dash and the atmosphere: even at the starting levels without hacking available special effects, battles with bosses and unpredictable musical confrontations. Muse Dash APK 1.2.1 (75 MB) Muse Dash OBB 1.2.1 (840 MB) Additional Information Requires Android 4.1 and up Developer Editor's Choice X.D. Network When I first saw Muse Dash, I felt that the style of painting had a familiar feeling. They were all protagonists of energetic girls. The colors of the pictures were very bright, and they used a large area of color blocks. The biggest feature of Muse Dash is the clever combination of music games with parkour and horizontal action. The combination of parkour and music, just need to correspond to running, jumping and avoiding obstacles and rhythm during parkour.
