Through the RPVT 2020 OMR response sheet, candidates can ensure that marked answers during the exam are key answers. The answer and OMR exam sheet RPVT offers accuracy for candidates to achieve the nearest predictive scores. How do I calculate the tags using the RPVT reply 2020? Once the RPVT 2020 response key is loaded, candidates will have to follow these instructions to know their predictive grades in the RPVT 2020 entrance exams. Download the answer key and keep the PDF document openCompare selected answer with the answer presented in the key of answering each question. Add 4 tags for each correct answer and deduct 1 mark for each wrong answer. Once the points are made, add all the points and subtract the points from the negative marking. Add the total and candidates will be able to find out their prediction points on the exam. RPVT Result 2020RAJUVAS will announce the result of RPVT 2020 on the official website on October 6 for all candidates who have appeared on the exam. The results of the RPVT will be made public in the form of a list of merits. Applicants are informed that they will not be individually notified of the release of the merit list, so candidates must remain aware of any official notice of the release of the list of merits. RPVT tie-break criteria For two candidates scoring the same scores will be evaluated based on marks in the grade 12 exam or equivalent exam with physics, chemistry and biology as the main subjects. If the draw is still not resolved, preference will be given to candidates who have passed the grade 12 exam in minimal attempts. However, in the event of a further draw, preference is given to the candidate who has scored the maximum cumulative score.
