We can see dragons in movies, pictures or legends. In Game of Thrones, dragons are symbols of the House of Targaryenes, descendants of kings and rulers. The Dragon is a symbol of strength, prosperity and fear for humanity. But in this game, dragons are very cute portrayed as a kind of pet. A table of Tusanda contents many years ago, Dragonia was a magical valley hidden behind clouds. Here dragons live happily with other creatures. Suddenly, once evil zombies destroyed the valley, turning it into a divided area. Your task is to restore Dragonia with the help of magic and revive the creatures of the valley - dragons, dragon eggs, trees, flowers, statues of Gaia, legendary creatures, ... What is the merger of dragons!? A confluence of dragons! This is a free puzzle game for Android and iOS, released by Gram Games. Its gameplay is like a familiar match-3 puzzle game like Candy Crush Saga or Bejeweled. Have you ever heard of these games? If the answer isn't there yet, that's fine. Because of the merge Dragons gameplay! Very simple and easy to understand, suitable for everyone, including young children. GameplayMerge three materials of the same type develop, such as combine three trunks to form an ancient tree, three dragon eggs to create a dragon. After that, you can combine three dragons to create a larger dragon, three flowers to create a larger flower. The dragon on the map also works to bring light to the dark lands. You can't merge and move creatures in the dark ground. The only way to light it up and then you can combine it as usual. The only rule is that. And the game is not a big problem for you. But in turn, the merger of dragons! I really know how addictive players are with awards after each level. The game makes you feel curious and want to know the shape of creatures in the valley after evolution. A lot of rewardsRewards is what I like when playing this game. A confluence of dragons! has many kinds of rewards for players. First, it is a reward for the level, the higher the level, the more valuable the reward will be. In addition, you can receive rewards over time. There is a mysterious chest on the home screen, you can get any rewards after a certain amount of time. The more valuable the gift, the longer the waiting time. It's a motivating factor for me to get back into the game every day. Even if I don't play, I still have a chance to get valuable rewards. That's great! Beautiful Graphics Graphics is one of the highlights that made me download this game. A confluence of dragons! Has 3D graphics in a very cute style Bright colors, bright images. The beautiful valley of Dragonia looks like a fabulous country. Dragons, trees, landscapes, all beautifully beautiful Funny sounds that are right for this game.
