The portal is available to all parents/guardians of students enrolled in the Southwest Urban School District. Through the portal, parents can access their students' data via the Internet, such as schedules, courses, and scientific reports. Parents can also use Portal. Parents to submit updates to emergency and family contact information. Updates, general notification messages, as well as e-mail messages from teachers, schools and districts, as well as emergency contact information. Parents will receive their campus portal activation key in the Back to School letter mailed home in mid-August, before starting school. Please keep this letter in a safe place and don't share your activation key with anyone - not even your children. To set up your child and/or parent account(s) initially, please read the detailed instructions below. If you set up child and/or parent accounts in a previous school year, you don't need to change the data for that school year to access your child's data. However, you'll need to complete the annual information update each year to review the account's Contact Settings area to determine how and where you want to receive home school communications (including school closing notifications) and update emergency contact information. If you no longer have the activation key, please contact your child's school for parent and/or student activation key information. You must provide the appropriate ID before the school gives you this confidential information. Again, please keep this information in a safe place and do not share it with anyone.
