Www.engvid.com quiz countable and uncountable noun

Dear sir/lady I need help in adding verb to the collective noun as; a chicken brood or chicken brood As we add verb as a chicken brood is in the field: a brood of chickens is in the field a chicken brood are in the field broods of chickens are in the field pl explain that correct they send me more example like this for other collective nouns: a herd of livestock, a herd of goats, a bunch of bananas, a bunch of ducks, a dove of pigs, a dove of oxen, a pigeon kit, a galaxy of stars, a fleet of pl ships explain when we add singular verb and popular verb in sentences clearly pl Thank you: my email is frank19976@gmail.com. if you like you can email me in the text Quiz Test your understanding of this English lesson Try your understanding of the English lesson by answering these questions. You will get the answers and score at the end of the quiz. In English grammar, words that refer to people, places, or things are called nouns. They can be classified in many ways. One way to classify nouns is depending on whether they can be counted or not. Many English mistakes are related to this point. Reading this page, you will understand: what accounting nouns and countless are how to use them correctly in a sentence countable nouns (or count) are words that can be counted. They have a singular shape and a plural form. They usually refer to things. Most accounting nouns become plural by adding an 's' at the end of the word. For example: Singular plural chairs bottled student non-accounting (or non-count) noun students are words that cannot be counted. Therefore, they have only one singular form. They have no plural forms. These words are thought of as whole rather than parts. They usually refer to abstractions (such as trust or advice) or collective (such as equipment or luggage). For example: unique information about cash furniture using contact and non-accounting nouns When using countable or countless nouns, pay attention to articles and adjectives! Some articles and adjectives can be used with both accounting nouns and countless. However, others can only be used with accounting nouns or only countless. Used with contested nouns Only a doctor, a pen, a meal, a class, a college many many cups, many

books, many libraries, many flights few questions, few tables, few apples, few holidays, few countries some questions, some problems, some problems used with unacstable nouns Only a lot of money, a lot of time, a lot of food, a lot of water, a lot of energy little trouble, little equipment, little meat, little patience a little a little sleep, some snow Used with Countable & Countless Nouns the bill does not account for monkeys, schools, teachers, boats, bananas incountable cheese, machine machine some accountable some tables, some shops, some grapes, some cities, some incalculable nurses some time, some news, some bread, some salt, some mail any fork, any socks, any bathroom, any waiter, any incalculable cupboard any advice, any soap, any transport, any gold, any homework without loaders, no chocolates, no drivers, no rings, no incalculable marker no problem, no grass, no landscape, no money, no décor a lot of accounting animals, lots of coins, lots of immigrants, lots of incalculable kids a lot of help, a lot of aggravation, a lot of happiness, a lot of fun a lot of computer countable, a lot of buses, a lot of parties, a lot of colleges in number of cakes , lots of ice cream, lots of energy, lots of laughs quite pretty accounting dishes, enough onions, enough restaurants, enough worries pretty incalculable courage, enough wisdom, enough noodles, enough time a lot of houses, lots of concerts, lots of guitars, lots of countless oil abundances, lots of sugar, lots of cheese, lots of space List of countless nouns (These are countless noun samples!
