Every four years on this planet, from May to August sports competitions under the auspices of the International Olympic Committee, which involves only the best athletes from around the world. By the way, not many of you know that the first such games were held in 1896. and they played a total of nine sets of medals (today in the Olympic competitions took part at least 200 countries, and they include 26 sports). In general, if you like to watch athletes and swimmers, as well as support your team, why wait for the next game to personally set new records in all disciplines? Every year, Tangram3D produces an exciting sports game with beautiful 3D graphics, including such outstanding projects as Cycling 2013, Athletics: Summer Sports, Ski Snowboard 2013 and Light Winter Sports, without which it is perhaps impossible to imagine the modern gaming industry. By the way, today we have prepared for you your next project called Summer Games 3D, which contains at least 20 sports, and everyone's favorite multiplayer mode. So, in order to enter into a fierce fight for a gold medal, you will first have to decide with the team you want to compete for, and then with the sport you want to show yourself in: Athletics - 100m, 400m, 4x100m, 1500m, 110m Hurdles, Javelin, Hammer, High Jump, Long Jump, V). Cycling - Keirin, Sprint, Pursuit Race, Sprint Team. Swimming - 50m, 100m, 200m, 4x100m. After the above manipulations, you just have to choose how you want to manage your athlete (the game has three control schemes: dynamic, strategic, reflex), and directly to actual competition. By the way, if you you Feel that once achieved unprecedented success in different disciplines, then you definitely need to reach a new level, namely to challenge your friends. Good for the guys from this company Tangram3D provides in this novelty multiplayer mode, where you can play it at the same time on the same device.
