Something was done by Suzuki, because now there is no manual, no user or password asked, you can just download it. Maybe it's a temporary thing. Luckily, I downloaded it, if you send me a PRIVATE MESSAGE email address I send it to you. Hello Dukedekastilla: I don't know what will happen in Suzuki will be some maintenance or anything like that. Today July 31, 2017 at 11.59 you can download the guide to the browser in Spanish . Try again as I tried to download and download without problems and without asking any type of password or user.
