I'm pretty sure he meant I made a black and white picture for a change. I felt after a stream full of colors, it's about time I lose saturation and go paint blind. Also I did not want the colour to deny vastu lines. The dizial mix from 3 exposures (2sec, 8sec, 30sec) shot at night on f22 and iso400. Curves, contrast, dissection, unsharp masks, noisy ninja. I only distort this image, if anyone has any better way to make any criticisms on a B&W picture, or this one, please feel free to tell me.
