Outfit7 Limited Android 4.4 - Version: 2.3.2.47 \$0 My Talking Tom 2 (MOD, Unlimited Money) - a continuation of the popular simulator from the genre of pet care, this time you have to take a little kitten under your care and try to make it grow and develop in nothing without giving up. Continuation has retained all the basic elements of the series, so fans of Tom's cat will easily understand all the details of the game, but you can believe that it is not superfluous, because My Talking Tom 2 mod apk will allow you to use hundreds of different care options, dozens of games and items, while you have to monitor the state of Tom. Good graphics and favorite hero will give you a lot of positive emotions. Updated to 2.3.2.47! Andro-Mod Games Mod My Talking Tom (MOD, Unlimited Money) My Talking Tom is an interactive puzzle game from Outfit7 Limited, redefining the interaction with a virtual pet - Tom. Grey tabby cat needs love and love, looking for friends and loves to have fun. But the trouble is - not everyone will cope with the restless nature of the cat! Perpetual hunger and constant desire to compete, thirst for adventure and search for entertainment, even hardy and hardworking players make you nervous! MOD for money is partly able to facilitate the task - with finances Tom will be able to maintain a happy mood a little longer and will begin to complain less about the hard virtual life. My Talking Tom - the legendary virtual game of breeding cats on the mobile platform. In the game, players will breed their kitten, and it is called Tom. The player's job is to take care of Tom from food to game so he can become a mature and smart cat. Right after the launch, My Talking Tom MOD APK creates a fever, people feed Tom and Bath for Tom. After debut, My Talking Tom quickly caught the attention of the gaming community. In total, My Talking Tom received more than 13 million pre-registrations in the short time. Following the success of My Talking Tom, game developer Outfit7 launched an alternative version of the virtual cat game on iOS, and an android platform called My Talking Tom Friend. In response to the fact that Outfit7 fans recently officially released the free game My Talking Tom Friend on iOS and Android. In My Talking Tom, players take care of Tom and take care of other cats when they live together in an unfamiliar home. Each cat has its activities in the day, so there are many activities to keep players busy. Players can turn this virtual home into their own by changing the look of cats in the house. My Talking Tom owns a beautiful graphics platform, but still retains a cheerful, cheerful, colorful color that will bring you a wonderful experience. For those who have just started with My Talking Tom, we'll introduce you to some instructions to get to know this cute You can download the free game My Talking Tom MOD APK by following the link. StoryThe cat in My Talking Tom is like blowing a shower, so it will be lively and realistic. All you have to do is take care of your cat so that it will eat, grow, play well and you will pass the screen game to get more gold coins. If you have a lot of gold, you will be comfortable shopping for supplies and buying cat food to zoom in to display quickly. By playing My Talking Tom to get a lot of gold coins to raise a huge cat, Tom has to work hard to increase the amount of gold available quickly. There are many ways for you to align quickly, but first, we learn some instructions to get started with My Talking Tom. First, when you start the game, just follow the game's instructions to pass Level 1 quickly. Starting with My Talking Tom, you must first feed the hungry Tom for a meal. When the cat is predatory, the belly will have a red circle plate and a spoon icon to show that the cat is hungry. Click on this icon to get to the dining table, after which the interface will have a dining room with a variety of products. Then you touch the plate with the food you want to feed Tom. When you see a round icon containing a fork and a spoon of a leopard, the cat is full. After eating, this icon is usually reddened, so your cat Tom is trying to go to the toilet. Click on this circle to let tom the cat go to the bathroom. When he finishes going to the bathroom, the symbol will turn green. When this smile icon is more than half red, this cute cat Tom wants to play with you. It has almost all human needs. Touch the smiley face and pet it, he will smile. It's like stroking and playing with it like that. When this icon turns green, the cat gets bored and no longer wants to play. When it meets all needs to eat, hygiene, play, sleep, circle icon with the moon, and the star inside will report red. Click on this icon to let the cat fall asleep. Just like us, it will require you to turn off the lights to sleep from blinding. When this icon turns green, you can continue to play with it when it is no longer sleepy. When all the images, as mentioned earlier, turn green, you have completed level 1. When you choose this icon, you will go to the supermarket to buy food for Tom. The basket also displays the amount of gold available and you can purchase items made of gold there. FOR FANS: When you use this feature, you need an internet connection. COINS: With this feature, you can completely exchange virtual gold coins for real money to play games. The game is free to shop when using actual money in proportion to this virtual money. Drinks: Drinks compartment such as milk, juice, coffeeSpecials: Special dishes such as Pho, Gimbap, fried chicken Number inside the circle the amount of level you play. When the blue color in the ring is full of laps, you will be upgraded to an additional level. Feed Tom, sleep well, and buy items to give a quick level when the extra level you will be playing a few more mini-games built into My Talking Tom.Besides, this will give you a gold sum corresponding to your level. This gold amount will increase gradually as your level gets higher. The higher the standard in the game, it will provide you with a lock to unlock more costumes, cat decorations, and Tom's house. When you touch this icon, it will introduce you to several fresh games with the same free category of the same publisher My Talking Tom. Here you can choose more games from this publisher to play. When you touch this icon, it will allow you to visit the homes of people playing My Talking Tom. You can visit a friend's house by logging into your Facebook account, so your friend can also visit your home. In addition, you will visit the home of those who play this game but are not familiar, but visiting any home it gives you a gift by choosing to visit random players visits a lot. It is also one way to earn gold money relatively easily. When moving into someone else's house, there will be a gift box next to the cat, touch the gift box to get the gold coins. When you touch this icon, you'll see videos related to My Talking Tom on social media, share a YouTube video. Here you can find a funny video of My Talking Tom.This icon has the effect of turning off Tom's cat. If you feel uncomfortable with your voice Cat, please click here to disable. It's easy to see that My Talking Tom is a game that attracts the attention of all ages, from students, office workers to housewives. The interaction between My Talking Tom and people makes you feel interesting and relieves stress. This section will show you how to play My Talking Tom MOD APK quickly to align. First, to take care of Tom, you need to download My Talking Tom and start shopping to decorate the living room, kitchen, bedroom or toilet to talk to Tom. Then, buying jewelry in My Talking Tom will make your EXP exponentially increase. Suppose you are new to the game and don't have a lot of money and then choose a way to buy cheap stuff and then consider buying more expensive items. Make sure that when you download My Talking Tom, you'll have more interesting moments. Secondly, when downloading My Talking Tom, you need to buy costumes for the talking cat. Clothing shopping makes a significant contribution to Tom's for the fast-growing. Just like when you decorate your home when buying clothes, hats, glasses when changing the color of Tom the cat's eyes, the experience of each costume accessory will also multiply you. Finally, take care of Tom from eating, sleeping, and even going to the toilet. Just a little hardworking, sensitive partner in trading appliances, you can easily take care of talking to Tom as profitable as your favorite friends. Many developers in the mobile world are watching to determine why Talking Tom is so famous and popular. Now it is limited to mobile applications and extends to the toy, fashion and upcoming movies market. There will be reasons that well-known manufacturers explain: Talking Tom was born after the iPhone development trend with apps that have a unique trend and bring a strange experience to users. Initially, Talking Tom was just a cat with the ability to copy the user's voice according to his tone rather than a pet game like My Talking Tom.Despite just stopping at this level, Talking Tom has created a unique and non-duplicative gameplay that will delight each player. Tom can repeat every noise, every sentence, no matter what language you speak. It was a strange element of the first edition, which laid the foundations for later versions. Keeping Tom's character and ability to copy his voice mostly, My Talking Tom appeared in 2013 to bring players a new experience of caring and nurturing him. The first success is that the developer gave fans of the first Talking Tom a great reason to download My Talking Tom, because this fresh game is almost a separate game, although it remains the same cloned voice. Second success turns My Talking Tom into a virtual pet game, a common genre, but characters from other games are still and may not be known or interact well like Tom. It's a wise combination. Now, Tom can be fed, clothed, and cared like a pet, an animal, Usually everyone wants a pet to see it grow and develop. Jews are very good at business. Their advice is to trade in items related to women! The demands placed on women often yield huge profits stemming from the natural spread that only this world can make. A affectionate pet can bathe, feed, talk, wear beautiful clothes and eventually bring it to friends, which is almost a typical hobby for women. Talking Tom and Friends is a game line with many versions that differ only in changing the main character. It shows a great kind of Outfit7 developer when they know that every person has a pet of their own, some people like cats, some people like dogs. Only keeping the character of Tom will make the game follow the path and shorten the game time. Shortly thereafter, Outfit7 released a version of My Talking Angela and My Talking Hank. And so far these versions have been downloaded in Asian countries even higher than My Talking Tom.In Lines of Friends, Angela and Hank have also become very famous names, and the more interesting thing that Outfit 7 brought was to create a connection between these characters. No character is inept in the brand. Although their names are different, we still know them as Talking Tom. This is called the cross-application effect, creating very high efficiency. We can say that My Talking Tom MOD APK is the most popular virtual game for pets to date. With My Talking Tom, you will take care of the cat as in proper life, fed, rested, and have adequate needs. You will feel very interested in raising this lovely cat. This entertaining game of the genre is suitable for all ages.
