Read more Sdorica -sunset - Wiki Rayark Inc. DEEMO updates version 3.6 today, adding 3 brand new song packages in one fell swoop: DJMAX Collection, Sdorica Collection and N.M.S.T. Collection No. 2. 4 free songs will also be added during the upgrade. Among these 3 song packages, DJMAX Collection means the first collaboration between DEEMO and the famous Korean rhythm game DJMAX, adding 5 classic songs to the game. In keeping with the PIANO theme of DEEMO, composers Iris and Ayatsugu Otowa were invited to take steps that added more piano elements to the songs. In the game, players will be able to experience DJMAX songs in a different style. Among them are the famous OBLIVION (DEEMO Arr.), Terrorist Nightmare (DEEMO Arr.), The Heart of the Witch (DEEMO Arr.), The Far Eastern Princess (DEEMO Arr.), and Glory Day (DEEMO Arr.) and others each version was organized to fit right in with the piano-rich environment of DEEMO. Highly praised by players, songs from Sdorica will get some shine in Cytus II. Sdorica Collection launches this time, including 5 background songs from season 2 of Sdorica, each which is part of Rayark's long-term employee, Rayark. Chu. The song package contains unique, rich background music from the game that will make players feel as if the characters are engaged in battle right before their eyes. 3R2 and Ice returned to N.M.S.T. Collection2, once again bringing brand new songs to DEEMO, including Fur War, Pur War, which first reared its head as the song's boss in Cytus II. Besides these 3 heavy hitting song packages, this DEEMO update also adds 4 free songs on Shattered Memories 2, giving everyone a hearty gaming experience to start 2020. - Click to download the iOS version - Click to download the Android Version - Official Facebook page - The official Twitter page Of Summer Vacation has arrived and today (7/8), Sdorica Rayark launches a limited summer event Summer Ceremony. This event includes story quests and a limited Summer Bonanza event, offering various rewards to players. Players will also be able to create a limited character Fredrik MH for free. In addition, Rayark hosts the Hot Summer Infuse event, which features characters with swimwear skins such as Yamizuki MH, Izumi MH and Leah MH. A quest with a variety of gameplay types to collect rewards to exchange for character materials as the event begins, players will not only be able to experience 6 copious story quests, but once the storyline quests are completed, players will also get the opportunity to enjoy the various game stalls at Atlas' Summer Bonanza and participate in the stamp collection event. The plot of the preview quest: In the scorching summer sun, lazy Fredrika and the mischievous Leah head to Atlas to complete the mission, unexpectedly bringing along a pleasant summer surprise. After passing the storyline of the quest, playing the game's stall, or completing a stamped event, players will receive various rewards such as The Silver Coin Bonanza and Bonanza Commemorative Coins. As players go through more quests in the game, the number of rewards will be different. Collecting more awards in the game will give players a better chance of swapping them for materials that can be used to create a limited character Fredrica M. Fredrik MH Let's have another cocktail after winning Position: Black Resume: Koshimizu Ami Even her dress that provides sun protection can not protect against the sexy figure of Fredrik, which is hotter than this scorching star. In order to get some extra vacation days, the summer ceremony found its way to the Atlas. Sunlight, fine wine and hot studs; Fredrika used her passion to melt the naysayers, turning the official business into a phenomenal vacation... Fredrika conquered her friends and lounges on the chair all their own. This one's hot, hot, Its summer has just begun... Hot Summer Infuse: Limited Swimsuit Symbols Now Available During the Event, the Hot Summer Infuse event will also take place, releasing characters with swimsuit skins

such as Yamizuki MH, Izumi MH, and Leah MH. Players will be able to get brand new characters and skills through Infuse. The event starts today and ends on August 26 at 04:00 (UTC). The speed of choice for these 3 characters in the Infuse event will be increased in a alternating way. If players use 1 in 3 characters as their advisor in Atlas Summer Bonanza, they will be able to receive additional rewards. Yamizuki MH Flying is not allowed..... Is it true? Position: Golden resume: Miyazaki Uki That waterproof fabric can't cover this fresh look on Yamizuki's face when she puts on a swimsuit for the first time. Dressing her clumsiness for the sake of her comrades, she accidentally attracted all the attention to her. Maintaining the perfect balance by controlling the wind and water, it stands on the board while flogging back and forth on the lake. The cool spray it creates dissipates the Atlas heat.. After the end of the fair, the smiles of her comrades remain in Yamizuki's head. These smiles become a drive that motivates her to continue to protect others. Leah MHRA is reluctant, but I'll let you be a hard worker. Position: Golden resume: Sakura Ayan found it difficult to install a transparent jacket, but Leah did just that by wrapping her clean, sweet heart into a cunning rue. In order to make the best use of her vacation, she accidentally connect the minds and hearts of people and demihumans. Sandboxes, castles and fresh fruit; She tries to create new memories so that for lost time she couldn't spend with her brother... After the sandcastles blew away, the promise of Leah and Lio made this summer vacation would continue. It will last forever... Izumi MH Setting up a stall after I retire sounds like a good idea... Position: White resume: Ueda Kana What apron can not hide is izumi's need in the world to be chaotic. Out of purely self-interest, he stumbled upon a second career. Vegetables, animal meat, and unique knife skills; it ignited not only by coal, but also by the exuberant minds of people who were once hidden. The genuine smile that appeared on Izumi's face seemed to wax and waning amid the smoke, becoming a spectacle from this summer that is always worth retasting ... As the summer vacation begins in the Northern Hemisphere, Sdorica hopes to release a variety of skins and skills for the characters that will give players a relaxing and joyful gaming experience. - Click to download the iOS version - Click to download Android Version - Official Facebook page - Official Twitter page Cherished sheets: (so far I found) Daydream Medium - 1 is you have to go through room (take the far right way and fight the monsters that Alice spawns until she gets Deemo so she can play with it (that hit me like a truck there oh) (Edited it in hard is not extreme sorry :v thx u/Logicarra for pointing it out) Daydream Hard - 1 is in black and white floating piano tiles, You have to use the passage picture to get there (Edit1New Finding) Daydream Special - 1 is in the shelf area, so take the first pasage when you go right (don't go to the far right, take the first gate to get access to the book shelf area, the bookshelf will disappear and reveal the bottom of the aisle that will lead you to the treasured leaf and fight the mask of the girl (Edit2 New Search) To access it, go to the far right part of the first area of the map bringing you a picture of the passage area, once you use the picture path, go to the far left of the 3rd area of the map (waterfall area) it will lead you upstairs with the cherished map and you have to fight the Mask Girl (Edit4 New Search Credit: u/Ramenneen) Daydream Extreme has another cherished sheet, just go to the left side of the map (library) to talk to a masked girl and you will be sent to the balcony area and then go inside to get the treasured sheet and fight in the mask of the Girl.Cleaner Daydream Guide version u/Rameeennhttp Resolved) In the waterfall area when you walk through the hidden paths of painting will be floating piano tiles My theory is that this is due to the piano tiles in the sky because they have a pattern, but I still have a way to figure out how to solve it.
