Embed oh oh oh oh, oh oh oh oh oh, i love you oh oh oh oh, i love you i do, i do, i do. I told you why we just can't do it, I want you still, but I just can't take it, the time has come we should break what was the pay price. Oh oh oh oh oh oh oh oh oh oh, it's over oh oh oh oh oh oh oh oh oh oh, it's more than it's true, it's true. I think the times we were together because the time went on it seemed forever, times have changed now things are better, someone had to pay the price. And I think the times we were together, as time went on it seemed forever, times have changed now things are better, someone had to pay the price. Keith Urban Lyrics Gone Tomorrow (Here Today) Child lifted up the sky Sunset young, we say goodbye But I do not live with regret Carpe Diem is a secret Cause, it is Gone tomorrow, here today I'm not going to waste it so I'm not going to waste it, No, it's gone tomorrow, but it's here today I won't let it slip away I feel the rush it's kicking, and I wish tonight never to end We'll never come back around like shooting stars, we're burning what it is... Gone tomorrow, here today I'm not going to waste it I'm not going to waste it No. it's gone tomorrow, but it's here today I won't let it slip away I want to feel, want to touch the light I look at the friends who are gone and I'm reminded that it's all just a fantasy But we choose what we want to believe and I want to believe that there's something more another level to dream of, right through the door, but right now it's real and it's fading quickly to live cause we're never going to get it back This is... Gone tomorrow, here today I said it's gone tomorrow, but it's here today I won't let it slip away Writer(s): Jeffrey Bhasker, Tyler Sam Johnson, Keith Urban Verse 1 I keep watching for the dawning of tomorrow when we meet the happy Redeemer in heaven, and all today's troubles will soon be over it is when God wipe all the tears out of our eyes. Choir We are here today, we will be gone tomorrow, and this life will not even be a memory. We are here today, we will be gone tomorrow, where we praise the Lord for eternity. Article 2 Today we are preparing for the final journey, and I am preparing to live in my new home, soon these eastern skies will shine in the clouds of glory, and trumpets will sound. Where We Praise Lord Throughout Eternity by Joni Mitchell Love is not a game with me Played with me Played with inconsistencies Although my love turned out here today and gone tomorrow Love is like a candlelight Sometimes flickering Sometimes bright Sometimes burning up the night Here today and gone tomorrow Love is something rover Comes to town and takes lover Packs in his bag and then it's over here today and gone tomorrow Love's field of sugar cane Sunshine smiles and tears rain Feed it up until it's cut again here today and gone tomorrow Love's rainbow in the sky No one can reach it, however they are trying rainbow chasing fool I'm here today and gone tomorrow Love is wild spring Only lovers hear them sing Too fast they're on the wing Here today and gone tomorrow No love no game with me played with inconsistency Although my love turned to be here today and gone tomorrow © 28 March 1966; R, Joan Mitchell, then August 22, 1966; Gandalf Publishing Company Footnotes here today and Gone Tomorrow Here Today and Gone Tomorrow is recorded by one other artist This song appears: on:
