GameplayTownsmen Premium is an exciting game of strategy and management. There you have to create a huge city, starting with a small secluded city. To do this, you have to look for places to extract metal ore, explore the land for the construction of farms. Collecting by mining and harvesting the farm will bring you gold coins that will help you pay for everything. From the money earned, you can expand production by building more farms and gardens. In addition, build more high-rise buildings, entertainment zones, markets, pubs,... and help your city become crowded. From there, more and more people will come to your city. As the city grows, residents have more jobs, such as trading, transporting or working as pub workers. By collecting people's taxes, you will have more money to open many other great items. However, life does not pass peacefully and happily. Premium citizens have many unpredictable dangers for people and their lives. There are bandits hiding in the surrounding areas who can destroy the world in the city at any time. In addition, natural disasters, such as floods, blizzards, droughts, can threaten crops and create dangerous epidemics. As a leader, you must have good strategies to protect the residents of the city. Protect the cityBay before threatening peace in the city, you have to find many measures to protect people's safety. With the potential threat of bandits, you have to build a lot of army barracks and a strong army. Recruit strong and brave soldiers and place a lot of guard pulling out to keep people safe. In addition, the city is always threatened by natural disasters due to the weather. With weather effects and realistic seasons, in addition to windy rainy days, the city faces many natural disasters, such as floods, droughts, blizzards. Along with this there are a number of risks of food shortages, epidemics.... Therefore, before natural disasters occur, you should take precautions such as stockpiling crops in food warehouses, building many hospitals and medicines. In particular, homes must be built firmly to withstand the weather. In Premium Townsmen, you're king. So make sure it's a warm and happy life for your people.
