We are one of two elementary schools in the Clyde Green Springs Exempt Village School District and are located inside Green Springs Village just off State Route 19. We serve about 525 students in kindergarten grades to five in twenty-two homes. We have two departments each of the kindergarten classes to the third consisting of students in the Green Springs attendance area. We have seven departments each grades four and five, housing all Clyde Green Springs students at those grade levels. Our students are welcomed by experienced and dedicated staff. Beyond Us Education teachers and classrooms, we provide special education services in an inclusive co-teaching environment, leveled resource room, and multiple disability classrooms. Students can also receive speech and language services, occupational therapy, and physical therapy. Our school counselor facilitates a variety of programs to meet the individual and construction needs of the student. A talented intervention specialist offers extensive study services to qualified students in grades three to five in identified areas. Beyond academics, our building emphasizes flypast four with our students. Students actively learn to be respectful, responsible, kind and solve the problem. Students learn how to apply four flypasts during their school days. Student success is celebrated by all employees throughout the year as we recognize students who learn to show these traits in a different way.
