Never Gone is a new and wonderful game in the style of action games and role-playing games from the Chinese game development studio Hippie Game for Android, which was released for free on Google Play just two minutes ago, and again, as always, we decided to do it for the first time in Iran.Introduce to you, fans of action games! Satan will cry when oppression, deprivation, and oppression prevail over the body and soul! Never Gone is a two-dimensional role-playing game in the genre of action and tells a crazy story in a demonized world! One of the main characters of the game is a prize-winner who makes a living hunting for unbridled monsters and spends his time; He has a mysterious and serious face and has a lot in common in appearance and behavior with Dante in the world of Devil May Cry! Never Gone has fast and crazy gameplay; A few weapons shots and several consecutive shots make good and satisfying gameplay; During the game you can gain innovative skills by acquiring points, your equipment strengthen and unleash new powers! If you open Japanese, Never Gone images will be very appealing to you! Never goneNever Gone game was downloaded about 5,000 times in a short time and managed to get a score of 4.5 out of 5.0, which we are today in. We presented the first version of it along with the fashion and data of your presence, fans of action games! Bright color scheme in the eerie world evokes the mood of such titles as Killer Is Dead, Shadow Of Damned, Castlevania and other pure Japanese games. The fantasy graphics of the game are very attractive and it is well illustrated in the trailer that was released! Game music also seems acceptable! Overall, Never Gone is a good game and it seems to have a high chance of success if it follows the necessary advice and provides an acceptable outlet for an audience that has apparently been met with an unprecedented response! You can first view images and trailers of the gameplay and, if you like, download it for free from the high-speed servers of the site for your Android device.
