Avoid objects such as furniture, inside many houses and a giant Pepsi can only for you to get to the end, and drink Pepsi on every imaginable vending machine city. Other than that he has a lot of cut scenes for a guy in California who really loves Pepsi. Audio in English and with japanese subtitles. The game (if you couldn't tell) was only sold in Japan. Really good game if like something like a shortened endless runners and heavy advertising. Page 2 UltimateGokhan Rates this game: 5/5This game is very enjoyable and funny. The game about you Being PepsiMan runs through the city and collect Pepsis all over the city. PepsiMan works very fast, so u might want to be careful while you're working. Cars, bicycles, trucks everywhere. Citizens crave and have nothing more to drink! It's up to you to run through town and collect Pepsi. Each stage has 2 scenes. Once after the completion of each scene. Giant Pepsi will be working on U. Not just giant Pepsi though. Giant Truck Giant Pepsi Giant Woods Giant Pizza Truck and many of them and you can also drive some funny things like SkateBoard and barrels sometimes. A lot of things prevent PEPSIMAN from helping the citizen. You have to be careful and dodge them before he runs out of Pepsi powers :) Mr. Mando Rates this game: 5/5A is a great, funny and enjoyable game, you are a Pepsiman and you are trying to collect all the cans of Pepsi dropped on the streets of each level and reach the end of these levels, the character is running all its own, you are responsible for guiding it right and left with jumps and slides, in addition to running faster or braking. Enjoy this game and add it to the PSX Collection of your EP. Ezzo Stuya Rates this game: 5/5A is a very cool game. You play as a Pepsiman and run to the goal to help people from death thirst. The game is actually very hard the first time you play it. The fact is that it's got very, very funny cutscenes that you should see for yourself!!!
