Next Augmentations Important Information Prev Tips Various Tips Below, you can find a list of achievements), Xbox One and PlayStation 4 (trophies) Note - The list of achievements is under construction.01011000Requirements: You have brought together a mysterious contact and help Helle in memory of who he really is. Comments: Jensen helps Helle as part of the headline side investigation, which becomes available during the second visit to Prague. For detailed instructions for this, see the second chapter of our guide. ****! First, the stunner! Requirements: You need to get a Quad Arc upgrades, and you can become its owner when you finish the Getting in Top Shape Again mission. In addition to unlocking the basic increase, you must also purchase its upgrade called Quad Arc. Once you do this, go to any location with at least four enemies to aim at the required number of targets. Heated combinationSHopet: You must enter the classic code on the first keyboard found in the game Notes: Classic code is 0451, and you must use it to open the first port that was found during the first mission to Dubai. Adept of the MetaverseRequirements: You must finish all exercises during the first mission in Dubai. Note: This means exercises that involve using lids, avoiding detection and running fights. All in family demands: You helped Otar seek help with the family's case. Notes: Otar Botkoveli runs a casino in a sewer below Prague. You can meet him during the side-by-side tinge of the Caliber. During this task, you must agree to do Otar a favor in the near future to receive the calibration. The gangster will contact Jensen again during the main march of Rucker's extract and ask him to kill Louis Gallois. Either match his wishes, or warn Louisa (Otar must think Louis has died). When you return to Prague, you must wait for Otar to contact you. This time you will receive another find - All in the family. Fill it out according to Tar's wishes, which means kidnapping Dominik. Note - Detailed instructions for these searches can be found in other chapters of this guide. And embrace what you have become Query: You need to install every experimental upgrade. Note: Trial upgrades are available after visiting Vaclava Koller during the main task of getting into top form again. Select any of them (ex. Remote hacking) and buy it for Praxis points. BallsyRequirements: You must hit a point on the basketball court near MachineGod Church. Note: Church machineGod becomes available only if you decide to complete the main Quest Facing BombMaker. When you arrive at this location, visit the back yard. Pick up the ball and try result (you can try to throw it remotely or get closer to the basket). Between the main tasks of the Rucker extract, while exploring the Utulek complex. Detailed instructions on how to win a discussion with Rucker (this is the most complex conversation during the game) can be found in the examination for this find. Core DrillerNad: You need to use an ice drill to bypass much of the GARM facility. Comments: G.A.R.M. The facility is visited during the main garm investigation. An ice drill can be found not long after the start of the mission. To activate it, you must insert a biocelo in the procedure can be found in the instructions for the whole procedure. Cult of PersonalityRequirements: You must uncover Richard's secret, deprive him of control of cultists and expose him as a fraud. Note: All these actions are completed during the Cult of Personality side march, and very detailed instructions can be found in a separate chapter of our guide. You must select a version of the task that consists of installing scrambling devices in the cult headquarters. Then you need to gather to engage in a discussion with Richard and win it - in order to do so, choose the right and above dialogue options. Data DetectiveRequirements: Violation: Complete all servers on the tier 1 network. Note: -Data ExpertRequirements: Violation: Complete all servers in the tier 2 network. Note: -Data MasterRequirements: Violation: Complete all servers on the tier 3 network. Note: -Express Elevator to Hell, Going DownRequirements: You must attack enemies using upgrades to the Icarus landing system and then end them using Typhoon. Note: Start by purchasing both magnifications. Then you reach the edge, roof or other platform located above a group of enemies. Make a jump while in the air, press the button responsible to activate Icarus Attack. When you hit your fist in the ground, activate Typhoon. Foxiest of the HoundsRequirements: You must complete the game without alarms. Comments: This requirement also applies to the introductory mission to Dubai. It is worth noting that an alarm can cause not only when Jensen is detected by the enemy or camera, but also when it crosses a laser beam, or fails to break a mini-game. Save often and try to play flawlessly. Fresh Out of the PackageRequirements: Using koller and neuroplasty calibrator, you must disable overclocking experimental magnifications. Note: This achievement is related to eliminating the negative effects of experimental magnifications. First, you need to complete the side search which includes search which includ territory unnoticed. Note: To complete this achievement, you can select any location where enemies are present. Remember that you can ease the remaining hidden by using certain magnifications, especially camouflage. God KillerSNad: Win a debate with Allison Stanek. Note: A meeting with Allison Stanek takes place if you decide to proceed with the main quest facing bomb maker. In the first part of the conversation, use this sequence: the possibility of the above dialogue (criticizing Allison - the type of personality type Omega). In the second part of the conversation, use this sequence: the option of the above dialogue (criticizing Allison - the type of personality type Omega). In the second part of the conversation, use this sequence: the option of the above dialogue (criticizing Allison - the type of personality type Omega). Allison - personality type Alpha) and the option of left dialogue (advice for Allison - personality type Beta). Allison should avoid the plans to participate in the inauguration ceremony, and the achievement will be yours. Ground Mail Was a Better OptionProquise: You need to deactivate a drone with the ideal result using remote hacking boost. Note: Remote Hacking is one of the experimental magnifications, so you can unlock it only after meeting Koller in Getting in Top Shape Again main find. You also need to buy an upgrade to this increase, called Security Domination, which allows you to hack a flying drone. Drone hacking needs to be done perfectly, so in each of the three tries you need to press the right button in the perfect moment. The drone crash will confirm the completed hack. Seen with CareRequirements: Help Olivia escape Prague. A more detailed walk is available in the second chapter of our guide. As a reminder: You can provide Olivia with a safe pass by buying Vlasta or by shinging it with a skilful conversation. Use the antidote to save James Miller. Note: This achievement is related to the main tasks for providing the convention center. Finally, find James Miller. Note: This achievement is related to the main quest The Heist), you can use it on Miller (screenshot above). For more details, see the chapters on these routes. Honor Holds Us All TogetherNahod: You must win the debate with Otar takes place in the casino in the sewer during the lateral tinge of the Calibration. To win the debate, you need to choose left answers (if you have a Social Enhancer - those related to Beta You need to fully develop one of the branches of the tree upgrade. Note: You can unlock zooms group (ex. Smart Vision, Cyber Prosthetic Feet, Hacking: Stealth and buy all upgrades from the list. Note - You cannot select a category with only one upgrade (such as Implemented Rebreather) because you will not receive an achievement. I Can Only Fight Enemies I SeeRequirements: You have to finish the hacking challenge with active Fog Security, and without using the Reveal program. Note: This is a much easier achievement that can seem and you can complete it without any major problems in the previous part of the game. You can only complete this if, after the start of the mini-game intrusion, you do not see the entire mini game without the help of Reveal, which reveals the entire board. Good tip: The distribution of items in a mini game is always the same, so you can view the whiteboard, upload the latest saved game and take the same steps, knowing the path to the green registry. I've never asked for it. Note: This level of difficulty: I've never asked for it. Note: This level of difficulty: I've never asked for it. is mainly due to the fact that in the event of the death of the protagonist you must start a new game. You can save your progress, but the game allows only one slot, and if jensen's case is death, all saved progress, but the game allows only one slot, and if jensen's case is death, all saved progress. death (not only through lost lightning, but also, for example, as a result of falling from a high height or randomly setting a trap. Invisible WarTime: You must stunning camouflage the enemy without losing your camouflage. Note: Start by purchasing the Cloaking Glass Shield Upgrade. In addition, buy Cloaked Takedown Support, which ensures that you stay hidden even by using a takedown on the enemy. Once you gain these magnifications, continue the game until you encounter rapaged enemies (for example mercenaries in gold masks or Marchenko's men), sneak up on any of them, and launch a takeover. Jack of All AugmentsRequirements: You must buy at least one increase from each branch of Aug Tree. Notes: This achievement can only be completed after you have progressed forward in the game, as you need to gain a large number of Praxis kits in the world of the game). To complete this achievement, you can buy the cheapest upgrades from each category. K is for KazdyRequirements Liberate K and Bones from the prison cell and escort them to safety. Notes:. These actions are related to the title side search K is for Kazdy, which becomes available during the third visit to Prague (curfew). To achieve an achievement, each companion must reach the destination. For a detailed walk for this, see chapter 2 of the Tabutan Machine Requirements Guide: During billing at the Apex Center, you must use Kill Switch to eliminate Viktor Marchenka. Comments: This achievement is related to one of the last searches in the game - Stopping Marchenka. Comments: This achievement is related to one of the last searches in the game - Stopping Marchenka. be found in the G.A.R.M. Facility or conference centre near the hospitality area - detailed information regarding this subject can be found in the second chapter, which contains a gateway for this. Neon Nights, and in a separate chapter of this guide you can find detailed information on how to complete it. As a reminder, the neon lab is in flows beneath southern Prague, and you must finish the game without killing anyone. Notes: This achievement includes not only people that Jensen can kill in person, but also various situations where someone dies from an explosion of environmental objects, toxic gas clouds, a switch to allow electrical discharges, or by breaking a dome or robot. You also can't kill Viktor Marchenko - the only boss in the game (this involves using killswitch - ignore this gadget). Instead, you have to stun him so they can hold him alive. Note #2 – Do not worry about the situation in the side search golden ticket, when your actions can lead to a battle that can lead to the death of the Drahomira and some police officers. This includes singh's final death if he is shot by mercenaries in gold masks in the first major black market buy mission. Ramming Speed!! Requirements: Ram Dash in the enemy with a fully charged Icarus Dash. Note: Icarus Dash is one of the experimental magnifications that can be unlocked after meeting Vaclav Koller in the main task of Getting in Top Shape Again. You also need to buy an upgrade to this increase – Charged Jump. When you do this, find the enemy charge increase completely before you activate it. Relentless efficiencyQuiam: fully upgrade the weapon of your choice. Note: Install upgrades in each arms slot of your choice. Upgrades can be found in the world of games or Traders. Samizdat Demand: You must agree to cooperate with hackers from the Samizdat group, and send your message by breaking into the center of the information site. Note: Both actions are related to the Samizdat side march, which is completed in northern Prague - the walk is in a separate chapter of our guide. The point is, when you get into the hackers' hideout, you have to agree to help them get leverage over Picus. When you find the documents in the bank, you must deliver them to K and disconnect the information center. Singh no Swan Song Don't fight enemies in gold masks, up to the helicopter before Singh gets shot down. Requirements: let Singh die. The easiest way to keep him alive is to quickly reach the helicopter with a nana, to sabotage it. This action will automatically complete the mission and save Singh from the death of enemies at once, while focus augmentation is active. Note: Nanoblade and Focus Increase are experimental increases that can be unlocked when you complete the main task of getting into top form again. Swear on any place with a large group of enemies. Wait for the enemies to align side by side, turn in their direction and activate Focus Increase to slow down the time. Then throw the nanoblade. If the enemies weren't far away, they should have hit at least three enemies easily. So many cucumber requirements: you must make enemies hit one of the cucumbers. Note: The ability to unlock this atypical achievement occurs among the main tasks of the Rucker, you will start exploring Ty Zahrada Gardens. You have to visit a small market in this area. Look for cucumbers (for example, you can find them at the entrance to a large glass house - screenshot above), stand next to them and let the enemies notice you. Make sure there is fire under the enemy, at least one cucumbers. Talks in two wheelsSAd: During a showdown at the Apex Center, you have to stop Marchenka before detonating the bombs and rescue the delegates before the orchid poisons them. Notes: This achievement is related to two final marches of the game - Stopping Marchenka and Protecting the Future. In both tasks, you must stop Marchenka before using the detonator and save Nathaniel Brown and the delegates before the orchid poisons them. A detailed walk can be found in the relevant chapters. Tablet PC You must find and read each unique e-book. Note: You can find a list of eBooks in the Lists section of our guide. Make sure to familiarize yourself with the list of locations in this section, as some of these can be easily overlooked, not only by insuring, but also by incorrect behavior while you complete your searches. Golden Rookery Requirements: You must find the golden penguin, and return it back to your colony. Note: This achievement can be found in a room on the seventh level of golem city. Its exact location is shown in the attached image. When you pick up a penguin, you have to carry it all the way to RVAC Row. Golden Penguin Rookery is in a long hallway on the first level of Rowa, shown in the screen shot above. You can access this site by through the wall and turn off the discharges. As a reward for delivery, in addition to achievement you will also receive Praxis Kit. The Golden TicketRequirements: You must authenticate the license for either Irenka or Edward. Note: This decision is part of the Gold Leaf side quest, a detailed walk of this quest's in a separate chapter of the guide. You have to complete the whole task, that is, get to the registration center and decide whether to confirm Irenka's permission or Edward's permission. The achievement will be awarded regardless of the person you have to convince Detective Montaga that Angela Gunn wasn't killed by Either Johnny Hunn or Radko Perry. Comments: This achievement is related to harvester's side task, which can be completed during the second visit to Prague. You should investigate thoroughly, which will allow you to select an unknown copycat of Harvester as the culprit during your last conversation with Montag. For instructions on this, see the second chapter of the Guide. Invincible body Blocking iron Devil's image: You must block the incoming enemy explosive using the Titan Shield. Note: Titan Shield is one of the experimental upgrades, so it can be purchased when you finish the main task of Getting in Top Shape Again. Start fighting with any group of enemies and wait for the moment when one of the guards decides to use the grenade. Activate the shield at the right time to protect Jensen from the explosion. The Last HarvestRequirements: Win the debate with Daria Myska. Note: This conversation may take place during a side-by-side investigation Of the Last Harvest, which becomes available during the third visit to Prague (curfew). A detailed study of how to prepare for this conversation (meeting with a Cipro doctor) and how to win the debate can be found in the chapter describing the above look. The network is extensive and You must complete your visit in virtual reality without causing alarms. Note: You don't get caught by the camera or start traps while you're exploring. A detailed walk can be found in the relevant chapter of our guide. The Supreme EnlightenedRequirements: You need to see an extra scene between the credits. Note: The cut-scene starts about halfway through the credits. Arm Cannon at least once. Notes: P.E.P.S. Arm Cannon is one of the experimental magnifications. It can be unlocked when you visit Koller during the main quest getting and Top Shape Again. Also unlock two upgrades to this increases must be activated. Time Traveler Requirements: You must deliver the Neuroplasticity Calibration to Koller before asking you to find it. Note: When you arrive in Prague, ignore the main quest of Getting in Top Shape Again, which includes meeting Vaclav Koller to correct Jensen's increase. Instead, head to the metro station, to northern Prague and enter the warm under the district of Cyst. The caliber is in the casino below this district, and can be found in the safe visible in the attached screen image. (key code of the safe: 4863). Once you have acquired the calibration, go back to southern Prague and get to know Koller.We are Human BeingsRequirements: Finish the game at any difficulty level.
