It is the best mobile cricket game ever with thousands of players around the world. Manage your own team and take part in various cricket tournaments. Control your athletes. Choose your favorite team and send him to play this game for Android. Do difficult services and try to score a goal. Hit the balls charred by your rivals. Manage your team's players and win tight games against strong opponents. Take part in tournaments of different levels. Win and increase your team's rating. Use clever tricks to become a champion. In WCC 2, you can customize your players and cheer up the team with individual banners! You can also count on Animations, more cricket centers, new controls and new camera angles! 'WCC 2' has features that make it the most dynamic and versatile game in the world Cricket. WCC 2 provides great looking graphics and animations that provide satisfying backgrounds for the various challenges on offer. The sleek appearance of the graphics is partly down to a lot of animation in the game. In terms of sound, there is also an impressive inclusion of professional audio commentary to bring a genuine advantage to the proceedings. With player attributes that increase through practice and training as well as injuries, and options for using multiple camera angles, this game is well rounded by an in-depth experience. Features of the game: Many different teams (18 different international teams, 10 domestic teams, 24 different stadiums), Realistic physics (69 different bat strikes and 8 different bowling actions), Different tournaments (more than 4 tournaments, including World Cup, T20 World Cup, Blitz Tournament and ODI Series), Compete with other players (including ai call opponents, call friends), The game requires an internet connection. We believe that you can as well as other GAMES: 8 Ball Pool, Dream League Soccer 2018 and PES 2018 PRO EVOLUTION SOCCER ect. because this is the most popular sports game in appstores.
