Chris Heria: 10 rarities of a callier star you probably didn't know from his personal fortune, going through his passion for music, and his love of tattoos. In addition, we'll tell you how to get started with... Gustavo Higuera Westend61/Getty Images As good sports fans we want the latest innovations in technology to accompany us in every training to improve our performance. That's why, now that there's very little left on Black Friday 2020 (next November 27), we've already got our minds set on those sports gadgets that we've been watching over the track for some time and what we can find with the best deals and discounts all year round. We are sure that the same thing is happening to you, so to prevent and that you do not miss anything, we have made a choice of the best products in technology and sports electronics that you have to sign on Black Friday. Advertising - Continue to read under 1 Garmin Forerunner 735XT GPS Watch299.99 BUYIs designed to keep an in-depth track of your workouts and competitions. But it also has other profiles such as rowing sports, hiking, trail running or strength training. One of the most complete Garmin models that deserves its original price, although we would be very happy if we found it discounted on Black Friday 2020. 2 Powerbeats Pro Beats by Dr. Dre204 -BUYThese wireless in-ear headphones are designed for elite athletes. Its hooks match your taste and the different types of pads make its use much more convenient. They don't move during sports, and they don't generate breaks. They have a 9-hour battery life, are waterproof and sweat resistant, and are compatible with Apple devices. Its price has already been somewhat reduced, but let's hope Black Friday offers us more juicy discounts. 3 Aftershokz Trekz Air Aftershokz119.95 BUY for those who are not comfortable with the intrauterine headset, it is best to bet on wireless bone conduction, as in Aftershokz. Its free ear design allows you to listen to music without isolating yourself from your surroundings. In addition to being safer for runners and cyclists, they are also very useful at work. 4 Muscle Massage Pistol ABOX109.99 BUY An indispensable tool if you want to relax your muscles after workouts and speed up recovery. Abox brand gun is one of the best appreciated by Amazon users who stand out from its value for money and different levels of intensity. 5 Apple Watch SE Apple279 BUYWe face the most affordable version of the Apple Watch, and even though it has some restrictions on its older siblings, it is still one of the best options on the market to combine day-to-day with sports. It has GPS, heart rate monitoring, fall detection and sleep mode. 6 AC800 Sports Camera Wi-Fi 4K Victure64.59 BUY For those who are passionate about outdoor sports you can not miss the camera that immortalizes the best moments of your adventure. It is a watery, 4K Full HD, 20 MP resolution for photos and has two 1050mAh batteries. 7 H10 POLAR89.95 BUY Polar heart rate sensor in H10 heart rate sensor is ideal for those who want to control their rhythms more accurately. By connecting to the ANTH, it can be attached to gyms and other sports devices. It can also be used for swimming. 8 CompeX199 BUY Electric Stimulant We have seen him among elite athletes and now he has moved on to fitness fans. In recent years, pacemakers have become an excellent ally for specific muscle groups during workouts and helps achieve goals in less time. This CompeX model has Channel 4 and 10 programs that not only tone and identify muscles, they also help relax them. 9 Echo Dot (4th generation) Amazon69.99 BUYInque is not a sports gadget to use, the truth is that Amazon's smart speaker can make your life (and workout at home) much easier. Ask for the playlist you want without interrupting sessions, or change the routine on TV, check out all the suitable recipes you want and more. 10 Electric scooter GOTRAX339 BUY Hard not to see on the street. Electric scooters are more fashionable than ever and we don't see a green, healthy option to get around the city and continue to live an active lifestyle. In addition to Fraser, there will be other stars of the sport, such as Sarah Sigmundsdottir, Lucas Hogberg or Laura Horvath. The Freakiest Challenge is a team competition from all over Europe, two boys and two girls in which they are measured in the knockout rounds, with online qualifier and this grand final. Team finalist: CrossFit 77feet, CrossFit Square, CrossFit 4 Friends, CrossFit Minus, Milanimal, AAIN CrossFit, CrossFit La Nau and CrossFit Torredembarra. The final follows the 1x1 playoff format, and only two teams will reach the final duel. Freakiest Challenge was born in 2015 out of the energy of the entire community focused and committed to sports and learning. In this first edition, 20 teams competed for 4 months in the field of Fittest Freakiest, a shop specializing in training and weightlifting in the center of Barcelona. Eight teams reached the final. Teamwork is often the key to success, and the Freakiest Challenge soon found Nike the perfect partner to make this competition one of the most spectacular and unique events on the international stage. The day before, on Friday, January 31, there will also be an event with all athletes. This content is imported from Instagram. You may be able to find more information on your website. Matt Fraser will attend the event with the Nike delegation, as he did in the 2017 edition, and will, along with other guest stars, mentor one of the eight finalist teams. Tips and their experiences as Fittest Man on Earth can be key for athletes with their help. Meanwhile, he continues to prepare for next summer's CrossFit Games, where he defends the title. He will aim for his fifth win in a row, allowing him to surpass another legend of the sport, Rich Penning, who also adds up to four wins in this event. This content is imported from Instagram. CrossFit games already have their five male and female finalists: Matt Fraser, Noah Ohlsen, Justin Medeiros, Sam Kwant, Jeffrey Adler, Tia-Claire Toomey, Brooke Wells, Hayley Adams, Catherine Tanya Vaviosdottir and Kari Pearce. Are the world's fittest athletes ready to compete for the title of the best on Earth? October 18-25 CrossFit games at the reception that will be different ... This time only those 10 athletes, 5 men and 5 women, who will fight for victory, after winning their qualification in an online preview, which took place from September 18 to 20. Now we will tell you where and how to watch CrossFit Games.La CrossFit Game Week as the contest will start as such on Wednesday, October 21 and Thursday 22 is the first event. But from Monday the 19th, all 10 athletes will already be in a bubble to avoid contracting coronavirus. And while we still don't know WODs, the organization has been trying to train with other elite athletes such as Saxon Punchick, Brandon Luckett, Andrea Nisler and Alison Scudds for a few days. And all this indicates that there will be a lot of race to take advantage of the ranch, bars and even a little water in the pool ... The organization was forced to do this edition because of the pandemic coronavirus and, in addition to no audience present, chose to do this previous and online classification, followed by the finale in Fragrances with 5 men and 5 more women in uniform. And there will be no team competitions, so this time we will not see tetra-champion and legend Rich Penning. Whoever will be at the CrossFit game, as we said, is also a four-time singles champion, and in a row, Matt Fraser, and his training partner Tia-Claire Toomey. Reebok CrossFit 2020 games ready! This is CrossFit CEO Eric Rosa. At CrossFit we are always motivated by the challenge, and hosting a global sporting event in the COVID era is no exception. We are excited to be able to offer CrossFit games to our CrossFit athletes, fans and box members in 158 countries through a two-stage format that combines global online competition with a small face-to-face finale in Northern California. This innovative format will help us protect the safety of our athletes while providing world-class gaming experience to select the best male and female athletes in the world. CrossFit Games and all of their data can be tracked from Monday, October 19, on social networks CrossFit Games, as well as on their YouTube and Facebook channel. In Aromas, from October 18 to 25, and on the site morningchalkup.com its YouTube channel. This content is imported from Instagram. You may be able to find more information on your website.
