Advertising ▼ Scroll to page 2 Of 20 Advertising Thank you for your participation! Your assessment is very important for improving your performance artificial intelligence that shapes the content of this project Home - Specialized Mountain Bike Repair - Maintenance Guide - Choose a Model Select Maintenance Guide for your specific specialized model by year from the drop box above. You'll get a fully downloadable digital version of the PDF guide. Your dedicated bike maintenance guide includes everything like this and more: Anatomy of a cycling mission - Maintenance Cables and shifters Transmission Hub Chain, cassette and chain tape; Lower bracket Pedal Steering and wheels Headset Steering wheel Hub Wheels Adjustment of brakesTostructure suspensionTorque specificationComponent specifications and manuals (if available): Shift/brake lever Brake (caliper/hydraulic) Front and rear derailleur Cranset Lower bracket You'll get a digital downloadable pdf and repair guide for your chosen dedicated bike model. The guide contains procedures, specifications, and technical information about the components as outlined above. When you buy, you'll be given a link to download a PDF service guide for your chosen model. We offer refunds on all legitimate complaints if you are not satisfied with the product. To choose a specialized repair guide, select the year and model of the drop box down above and select Add to the basket to continue. Below you will find the owner's guide to most of the bike brands we sell. It is not possible for us to archive all of them, but if you see the one you need here, you can download or print it out for your link. As noted, most of these owner guidelines are fairly common and therefore they will not contain details of the bike model you purchased; They are designed to give you basic information about the brand you have purchased and some information about bike safety in general. 1 2 Table Contents 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 You read free preview pages from 8 to 18 do not appear in this preview.
