For an update and still the old NBI ID number check YES and then fill the fields then click PROCEED to go to the next page. I recommend reading this for a full tutorial on how to update NBI Clearance Online. OTP IS A PASSWORD ONCE. OTP means one Time Password, as the words say, which means you can use the code right away and can't be reused again after 5 minutes. NBI Clears Online currently use OTP to confirm applicants who register on the website to prove that they are not a robot and protect web applications. Your OTP or one-time password will be available via email or mobile device you used to register with NBI Clearance Online. If you can't get OTP on your email or text, you can try to re-send again and make sure the call phone number or email you used to sign up is correct. Here's an example in mobile phone and e-mail. STEP 3: APPLICATION INFORMATION COMPLETE all AREAS OF APPLICATION INFORMATION, CONTACT DETAILS, FAMILY BACKGROUND AND OTHER INFORMATION. After filling out the NBI application form, you can now click the SAVE INFORMATION button. By clicking on the SAVE INFORMATION button, it will show your information, and you need to double-check. If one of your data is wrong, you still have the ability to edit by clicking the EDIT button. After editing and verifying the summary information, click APPLY FOR CLEARANCE. VALID ID REQUIREMENTS NBI CLEARANCE ONLINE After pressing the APPLY FOR CLEARANCE button, the new windows will pop up and ask what valid ID you represent during your destination.
