Lightning fast loading Safe for children and educational! Tic-Tac-Toe is a simple and fun game for 2 players, X and O. It is played on the 3x3 grid. The goal of each player is to make 3 in a row. Typically, X starts first, but in Gametable's Tabletop Tic Tac Toe, Player 1 starts first in the first game, and Player 2 (or computer) starts first in the next game. The starting player continues to alternate from game to game. This helps keep the gameplay fair over time. Players take turns to place their Mark, X or O on an open square in the grid. The first player to make 3 of his own mark in a row vertically, horizontally or diagonally wins the game. If all 9 squares are filled and no player has 3 in a row, the game is considered Tie.The artificial intelligence expert (AI) will play the perfect game. Try your best to tie it up as long as you can! Tic-Tac-Toe is a zero-sum game, which means that if both players play at their best, the game will end in a tie. However, if you learn to play tick-to-nose and master a few simple strategies, you can not only play, but also win most of the time. HISTORYTic-Tac-Toe is a long-standing favorite classic pen and paper or infusion game for two players.
