Thursday, March 01, 2018 Android Games, Adventure Edit Free download GTA San Andreas Apk Latest Data 2020 - As we know Grand Theft Auto San Andreas or what we often call GTA San Andreas is the legendary Open World game with 3D graphics developed by Rokstars Games and very popular in the 2000s. However, this game can only be played on PS2, as time goes on now Rokstar Games released GTA San Andreas for HP Android. Honestly, I played GTA San Andreas in the PS2 hehe rental. One of the things that makes this game so popular is its very interesting storyline. The game is set in the fictional state of San Andreas, which has three metropolises: Los Santos, San Fierro and Las Venturas. Set in late 1992, San Andreas revolves around a genk member named Carl C.J. Johnson, who returns home from Liberty City to the city of Los Santos after learning of his mother's death. CJ discovers that his old gang friend and his family are in disarray. Through the plot of the game, CJ slowly dismantles the plot for killing his mother while growing his business venture. Like the games in other series, San Andreas consists of driving game elements and third-person shooters, as well as an open world gameplay feature that gives players to play more. The game adds several features, such as car modifications, and character personalization such as hairstyles, tattoos, etc. Before downloading, make sure you have a lot of kouta or use Wi-Fi because the game is quite large, which is 2.42GB.
