Edit Lock Discussion Upload reports video person Monchi D. Lufei character prototype Adventure at dawn Lufei Yoshida, based on the Japanese manga Dragon Ball and conceived the role of Lufei. Before the King of Navigation series, He also launched a short form of marine comic thief Dawn of Adventure, whose main character is also called Lu Fei, is lu fei's prototype in King of Navigation. Monchi D. Luffy's name source Author Ichiro Oda said in PARA, the 10th anniversary of the King of Navigation series, that Luffy's name came from the English Luff, which means sailing against the wind, which is the name he thought would be best for the captain. In addition, he pointed out that Lu Fei was born a man of extraordinary happiness; Lu Fei's name, Monkey, is the same as a monkey in English. The representative animal Lufei is also a monkey. Monchi D. Lufei Identity Background Lu Fei Design Draft (2 photos) 19-year-old young sea thief, hero of the MonchiE Navy. Grandson of D. Karp, leader of the Revolutionary Army, Monchi. Mr Long's son, Portkas. D. Ace, Saab's brother-in-law, assembles one of the eleven supernovae of the Champs-Elysees. The prize of 1.5 billion Berrys, known as the boy's grass hat. When I was a child, I ate rubber fruits by mistake, so I gained the opportunity to stretch freely like rubber. The dream is to find the legendary One Piece and become king of thieves, a dream that was born in the Enlightenment of shanks. The mantra is: I am the man who will be the king of thieves. Yoshida mentioned that if a group of straw hats is a large family, then Lufei is a family of four men. Monchi D. LuFei appears to be wearing short black hair and looks a little messy, with scars on his left eye that he once scratched to show courage. He usually wears a small red shoulder bump, blue semilegged jeans. Wear grass boots on your feet. I'm wearing a straw hat with red hair on my head that was once pinned to Lu Fei. Two years later, he had an X-shaped scar on his chest after a red dog attack and wore a yellow belt around his waist. Always have a sure smile on your face. Lu Fei is a confident smile, Monchi. D. Lufei character features Lu Fei (5 photos) Lu Fei positive optimism, went out to sea not for money, but enjoy the process of adventure, in the city of Rogge on gusso is to be beheaded, but extremely cheerful smile, because he already has the awareness of death. He was purely naïve, hamstring, with a strong curiosity about new things, especially machines and novelty weapons, and stars in the eyes of interesting things. He also particularly likes animals, he has a lot of animals with strange communication skills, different one-horned love fairy tales. In addition, Lu Fei is not interested in the color of women, in the face of the bath of beauty Boya Hancock is not moved. They also dare to cry in front of the crying spirit to provoke hatred. Lu Fei widely minded, once and small eight, Mr.2, Bellamy and other enemies, but now he can put aside the past to become friends and partners, and treat them as if they were partners. Maybe also because of the big picture, and former enemy Sha Klokdar, Baki, Mr.3 and others to fight side by side. All the while, he helped volunteers become a Naval General and encouraged him to become his dream admiral. Faced with the snow rabbit Rabang, who attacked them causing the mountains to fall into a coma, and after watching Xiaolabang desperately trying to protect his loved ones, Lu Fei is very confident in his own strength, firmly believes that he can become the king of thieves, without anyone's obstacle and change his dream. Also use this self-confidence to encourage and influence the people around them. Lu Fei will be tenacious, faced with strong enemies, will be desperate, at all costs, to fight until victory. Lu Fei focuses on friendship, attaches importance to partners to save Robin, did not hesitate to burn the world government flag, with the world government as the enemy; One blow to the people of Tianlong, sparked by the incident of Tianlong to save Ace, did not hesitate to break into the prison at the bottom of the sea, many times with death, and after the loss of Ace, it is also believed that he has a partner, slowly rose. Lu Fei is full of the spirit of the king, even in the face of the navy will be four emperors are not impressed, decided that the king of the same time, as a captain, he had a long-term vision, and after he learned that the Golden Merry could not continue, unfortunately decided to cremat him; Lu Fei has no idea of beauty and ugliness, and the drawing is rather ugly, such as a group of straw hats painted on the head of a giant rab whale. Painting technology deficiencies, Lu Fei in some simple little things due to lack of careful thinking and often deceived, it's easy to be hypnotized or implied. He is unable to listen to long speeches and conversations from others, is not interested in other people's stories, and is even directly identified as weaknesses that are not good at gathering intelligence. Once you decide that something will not change your original intention, you will act on your own intuition, you want Lufei to follow the action plan is not easy, by Usop described I am doing my best to range four imperial level. Lu Fei's cooking is so bad that even he feels like he's doing something unseeded. The direction of the Lufea is weak and easy to lose, but not as serious as Solon. Lu Fei sometimes plays with childish spirit, can fight with the help of young peaches. Lu Fei doesn't lie, and when he was too angry when he lied. Lu fei has no idea of money in the water capital with Berry's 100 million funds for the purchase of banquet food, on Fishman Island, caribe stolen by three Baolong Palace Treasures Kingdom immediately to the BIG MOM sea thief group. Monchi D. Lufei Reward Change Lufei loves all food, favorite food is meat. Meat. [41] . And Lu Fei's mind is usually full of meat and the King of Thieves. Lufei's most veneered food is a cherry cake on Kava Island, Lu Fei usually sleeps for 5 hours, and sleeps without constant sleep when he feels sleepy. The frequency of bathing in the lufei takes place once a week. Constituency Monchi D. Lufei second gear is a rubber man unique trick, when launched, lufei leather will become red and steam, as if using stimulants in general. Lu Fei to foot as a gas pump (two years later can use the hand as a pump to pump gas) to accelerate blood flow, strengthen body strength. Lufei second gear characteristics: due to the special nature of the fruit, so that the Lufei can withstand the second gear caused by very high blood pressure. The reinforced body of the second gear can make very fast movements, it can cause the enemy to be attacked unknowingly. The extreme speed combined with the reinforcement force makes the second gear attack much more powerful than usual. But abusing the trick would make it too to move. According to Luke's analysis, frequent use of second gear can be life-detracting. But after two years, Lu Fei is free to use the second gear and does not consume as much energy as before. The name introduces the second version of the Jet rubber pistol. Since the second gear can make the Lufei make very fast moves, so the second version of the rubber gun is like shooting an air bomb, but in fact it is hitting the energy as before. Lufei three-speed Lufei three-speed is a rubber man's unique trick, when you start, Lufei will bite your thumb, the air blown into the bone gap, operate his bone balloon fighting style, so that part of the body is huge. Applying three speeds on the smaller features of road flight; with destructive power comparable to the power of the Giants, the basic trick after strengthening three gears can become an extremely powerful trick. But the third gear will reduce the speed of the attack, after the abolition of the state the body will be reduced due to reverse erosion, it will become a two-headed small body, and the time of shrinkage of the lufei and the previous huge time is equal. But two years later, Lu Fei overcame this weakness, freely use the third gear and prevent the body from shrinking, combined with the use of armed color intimidation to harden the body so that the trick introduces a rubber giant gun running. Lu Fei bites his fingertips, the air blown into the bone gap, so that the hands of the body huge. The Giant's Rubber Pistol was the first used in the third heat. Lufei was first used against Luci. The Rubber Giant Tomahawk is so powerful that even battleships that doom the order can be easily destroyed. Lufei was first used against Luci. A rubber giant whip uses a huge foot to attack. Rubber giant whips are more destructive than rubber whips. Lufei was first used against Luci. Rubber giant rocket gun. It has more destructive power than a rubber rocket gun. Basically like a rocket gun, it's just an attack with a huge arm. Even the entire bones of Oza's body were crushed. The giant rubber giant swing roundabout was used by lufei against the pacifist PX-4. Rubber giant seal uses huge feet to attack. The first use took place in The Push City, the largest prison in the world, where Pelton prevented

Lufei and Smogg rushed directly to Caesar's room, Smogg went out to find Virgo, Lufei left one Caesar. Just as Lufei had the upper hand, Monet appeared, using his ability to fly the road in an underground garbage dump where Lu Fei encountered the help of a peach who had become a dragon. After that, Lu Fei returned to earth through peach flight opportunities and entered Caesar's room, rescuing a badly injured tea beard and bashing Caesar. After the banquet, after the banquet, after the banquet, after Dofranco thought he had dismissed Seven Wuhai, the party went to Theresa, don guixote country dofranmingo. Monchi D. Lufei tracksuit Rosa After the ship arrived in Dresrosa, Lufei and Solon, Sanji, Frankie, Foxfire Gate formed a team to investigate and destroy the SMILE factory. Lu Fei learned that Dofranmingo slept fruit as a prize in the arena competition, dressed as Luci successfully entered the competition and defeated the leader of the green pepper, won the championship of group C. Lu Fei witnessed Dofranmingo and Fujihu take the unconscious Luo to the palace, trying to find a way out of place, disappeared for many years when his brother Saab appeared to replace Lu Fei Lu Fei then, with Bellamy's help, found a way out. He then met with Solon and Jin Weimen and, under Violet's leadership, went to the palace to rescue the captured Luo. After a successful collision with Domingo's SOP overbearing, Lu Fei was awarded 3 stars (300 million Berrys) by Mingo. After a series of fierce battles, only Luo, Lu Fei and Dofranco stayed. Meanwhile, Lu Fei was dragged for fighting Bellamy, who was tortured with serious injuries but also devastated Dofranco. After luo's defeat, Lu Fei and Mingo started the duel and opened the fourth run, players in the arena, The wartime and nationals of the country pushed the bird cage together to buy valuable lufei recovery time, which eventually reopened the fourth gear and successfully defeated Mingo. [180] . After leaving the island, a group of grass hat was formed, Kavindish, Bartolomio and other representatives of the seven forces drank wine fair son, joined the straw hat under the arm of the grass hat, the lufe award rose to 500 million. Monchi D. Lufyzou Lufei and others arrived at the Zoo on a Bartolomeo boat and boarded Zou on a dragon painted by Zoro. In Zou, Lu Fei and others received a warm reception from Furry Municipality and learned about the situation of the mountain, the historical body of the signposts and the current situation of the country in which it was located. Straw hats were divided into National Team and Reclaimed Mountain Team, and Lu Fei and his team went to Cake Island with Pedlow, Pokemos and others. Monchi D. Lu Fei Wanji knew that the real Shanji Bryn came with food to the place where he fought LuFei, and found Lu Fei waiting hungry for him. After that, we all meet, at the suggestion of a very flat, Lu Fei and the flame tank thief of the sea who want to murder BIG MOM united alliance, along with the operation. At the beginning of the tea party, the group used Bray's ability to create countless parts flying on the road, disrupting the entire scene. As Lu Fei prepared to attack Garmero's photo, he was stopped by Katakuli, who appeared to help him free himself and publicly tied up with BIG MOM and announced the addition of a straw hat. After Brooke crashed photos of nuns, BIG MOM lost its mind, K-X rockets and mirrors were destroyed by the strange sounds of BIG MOM and the wind pressure created by the overlord of colors, and united forces hid in a huge fortress that Carpen Becky transformed, joining forces with Sanji and Gemma against BIG MOM at a time when the fort was about to collapse. After that, Lu Fei opened a four-run confrontation with BIG MOM, and the fourth run was lifted after BIG MOM. Then, jade box parties exploded, the castle collapsed, Lu Fei and others took the opportunity to escape, and the big mom outbreak began to hunt Lu Fei and others. Lu Fei entered the mirror world to protect his partner and fought Charlotte Catakuli to make another breakthrough, ending the undefeated myth of the Catacombs. After escaping Cake Island under the guise of a very equal man, the Morgans named Lu Fei the fifth emperor of the sea in the report, and lu fei's prize was raised to 1.5 billion yuan. Snakeman Form, Monchi. D. Lu Fei and country Road Fei Taro Lufei arrived and the country encountered a whirlwind and lost a partner, lost the life card Lu Fei rescued and the country's eight-year-old girl Ayu. Monchi D. Lufei two years ago Constituency Monchi D. Lufei two years later, results of an opponent's trial putting a fake straw hat victory group into a rubber jet pistol winding an armed color for an overbearing second kill. The victory was ended with a rubber elephant gun and was successfully tamed by Solon and Sanji. Victory kills Hammond and the Lion Fish with a rubber jet gun, but the leopard hides and fights the sting. Victory with a rubber jet gun to knock down your front teeth and escape with the White Star Princess. The fruitless victory was broken with a rubber like a gun. Victory, along with Solon and Sanja, defeated him and took away all the treasures. Victory Fruitless Victory Road Fly in order to take the blue ball wave in frankie's turbulent state to restore the status of the original, in a hurry to use like a gun to knock down the other side. Fruitless Lufei, because he felt that the physical and mental exchange of two people could not play their due force, the initiative of suspension duel. Defeat the fruitless victory of the fruitless Kavindysh, and members of violent gangs came out to stop the physical confrontation between the two men, but Lu Fei left the stage, while others did not notice his whereabouts. Victory victory fruitless victory with a rubber thunderbolt weapon knocked him down and hit his head back to the original cone. Fruitless Lufei mistakenly identified violent gangs who came to thank and negotiate revenge, wanted to get rid of mutual entangled, and were later taken by Rebecca to a dorm in the arena to avoid the wind and rest. Victory's Lufei was grateful for rebekah's out-of-pocket move to invite him to eat the food of arena vendors, subjugating the other side with only his free hands, with no intention of fighting. The fruitless defeat trick was blocked and the puppet was scratched with a five-tone line behind her back and then shot by an armed hardened fist. The fruitless victory of the fruitless opening four runs completely dampened Mingo, and Mingo also used the fruit's ability at the higher level of the kingdom - an awakening against the Lufea, but still can't help four runs, with a rocket rubber lion to fly on the wall having been hit hard. It was then abolished due to too much consumption of the fourth gear. The victory ended with the monkey's rubber royal pistol, which completely lost consciousness. Fruitless and turned into her own Charlotte Breyer, who left the stage with her partner. The second and third gears of defeat were hit and crushed by a cree frame with biscuit armor. Fruitless opening of the four-run form of the goalkeeper and frame Kli to a fierce fight, can not win. Victory with the help of Naomea to open four new man forms fullness of form, with a rubber cannonball to fly it. Defeat and Naome were defeated and imprisoned by the Revenge Corps, and were later rescued by a very flat one. Victory angrily knocked Shanji down and let him tell the truth. The defeat was attacked by armed rulers and heavily clotting Kataku chestnuts, who were kicked and vomiting blood. After losing four runs on one hit, the fourth run was forcibly raised and escaped by Shanii, [189] [189] Victory opened up four new forms of the Great Serpent of Man and his war, win or lose, and eventually ended up being the Catacombs equated with Lu Fei. Fruitless Hawkins pulled Out Carlo Pope and let Lufei and Solon depart. The victory defeated Kaido in three and four runs in a row, all hits, but basically invalid, by Kaido sticking down unconscious. Victory and defeat were blown away by the elephant's nose and were unable to fight because they were wearing stone handcuffs of the seabed. The victory was fruitless, and the victory was aimed at blocking big mom's attack with overbearing, only to be blown away by one blow. Victory sensed his movements in advance with an ace, wrapping his nose so that the bomb could explode inside his body. The defeat was fruitless when Peggyvan was shot with a rubber elephant and then 媞 fight with mishaps.
