It can be done as early as Chapter 4. There is a side search for a battle of domination and this trophy proc once you have seen the cutting scene. Someone SpecialSaw all good printing events with a human character. Partner to You OnlySaw all good printing events with a Digimon character. Today's FillSavored has savored all the flavors of the coffee maker from the internet café. Let's check even more trophy guides! I'm playing through Hacker's memory and I want to get the platinum, but I know there's some missable trophy. I've seen a few lists about Missables, but I'd love some confirmation on what exactly I need to make sure I don't miss out. I'm in Chapter 8 today. Thanks :))
