Answer: An epic simile is a long comparison using like or as. Find examples of epic similes. Question: How is Odysseus an epic hero? Answer: Odysseus shows the essential traits of an epic hero: strength, nobility, trust, courage, and love of glory. Gain fame through his intellect and cunning, using both to help the Greek army destroy Troy. As with all homeric heroes, Odysseus possesses arrogance, or pride, which makes him do really stupid things. For example, he insults Polyphemus after defeating him (some would argue entering the cave to begin with was stupid), kills the Cyclops without cause, and he's a good time with Circe for a year. His arrogance also prevents him from taking personal responsibility. For example, he blames the gods for making him fall asleep while his men eat the sun's cattle, and falls asleep, allowing his men to seize the wind bag. Question: What does the Odyssey say about ancient Greek values? Answer: Athena embodies what the Greeks saw as the most important-shrewd. Odysseus was as close as a human could get to Athena's wisdom. He throws away his bravery and fighting prowess, and despite his flaws, we have the greatest of Greek heroes. The Odyssey also shows the honor of being a faithful wife. Penelope remains loyal to her husband even though Odysseus has not remained loyal to her. The Greeks also placed great importance on hospitality, showing what happens to those who break this sacred host/guest bond when suitors are sacrificed. Question: What are some examples of Odysseus' cunning and wisdom? Answer: Think about the stratagem of the wooden horse. He cheated on Polyphemus under the name Nohbby. He ties to the bow of the ship so he can hear the Mermaids without being tempted to look for them. He comes in disguise with the suitors. Question: What role do the gods play in The Odyssey? Answer: In classical mythology, the gods are nothing but immortal humans with superpowers. It is this combination, superpowers, immortality and human weakness—that causes so many problems. For example, Athena prides itself on Odysseus; Calypso, a lesser goddess, lust after Odysseus; Helios wants revenge on the crew of Odysseus; The Trojan War began because of the jealous goddesses. A film adaptation of The Odyssey contains a scene with a Distressed Odysseus caught in a storm after leaving Calypso Island. On the brink of death, Odysseus shouts: What do you want me to learn? Poseidon responds: Without the gods, man is nothing. Although this scene does not occur in the royal epic, it summarizes the need to have respect for the gods in The Odyssey. This post is part of the series: The Odyssey Go on the Adventure of Your with all your favorite Greek warriors. Warriors. Warriors.
