In general, the sequel has retained the main elements of the first part, which are so loved by the players. At the same time, Beach Buggy Racing 2 mod apk has received more modern graphics, a new development system, an updated fleet of vehicles and, of course, new tracks located in different parts of the world. Updated at 1.6.8 a.m. Beach Buggy Racing 2 is a 3D racing game where you compete neck-to-neck on colorful beach trails full of booby traps and thrills that are yours for taking. We're looking at a direct sequel to the original Beach Buggy Racing, which is back again with more excitement and more off-the-wall buggy racing action. The gaming systems at Beach Buggy Racing 2 are perfectly adapted to smartphone screens. Your car automatically accelerates, so it's up to you to control which way it goes, tilting your smartphone just like that, or tapping on the side of the screen. How you drive your off-road cross cart will depend on your personal style, just make sure you hold tight for each curve stud. As you would expect from any racing game, your main goal is simply to leave your rivals in the dust. Fortunately, you'll have up to 45 bonuses you can grab as you race around each track to help you on your way. In fact, the biggest difference in Beach Buggy Racing 2 in terms of its predecessors, is that you can choose your own prime power-ups and deploy them strategically throughout each race course. As you pick up new dressers from your gains, you Even more special cards that allow you to improve your skills during each race. Beach Buggy Racing 2 is generally a great go-kart game that is chock full full and opportunities. There's a plethora of game modes, choose from a solo mode where you're on your own, or face to face with other online players around the world. More than 40 different cards are waiting for you in this exciting alternative to Mario Kart, which has been completely streamlined for mobile gaming. Uptodown is currently on maintenance. We'll be back soon. Remember that war game called worms and involving these cylindrical animals? Now imagine one of those creatures taking part in a racing game like Nintendo's Mario Kart. This is the main idea of Beach Buggy Racing 2, the new official installment of Beach Buggy Blitz. Take part in crazy races in the midst of chaotic scenarios full of action and surprises. Like it style or not, the first installment of Mario Kart for SNES revolutionized the video game racing market, which has moved from serious and formal titles to being a fun and crazy competition in which the winner is probably a scammer. A simple go-kart can topple any Mercedes or Ferrari. This game was so successful that soon there were clones of the name Nintendo. And among these games, we have to mention Beach Buggy Racing, a crazy and frenetic racing game in which you can race around 15 different tracks: jungles full of dinosaurs, beaches, swamps, volcanoes, villages... each with their own features, their shortcuts, and their hidden Easter eggs. Test your driving skills in 6 different game modes on 15 creative 3D tracks. Just like in Mario Kart, here you can also use over 25 bonuses, items that you will collect through the race, and that will help you defend yourself, use a turbo or cause problems for your rivals. As you win races and earn rewards, you can purchase new and better vehicles (such as a go outlier truck or rocket) and other drivers with their own powers. Other racers are clones of the original driver, but are disguised with outfits, masks, etc. you can also choose between multiple controls, points of view and settings to save the game. And if you really like this game, from the home menu you can order a 3D copy of your driver sitting in his car. Do you want to play? Just download it APK right now for free. Looking for cheats and tricks? Good advice to start each race switching to turbo mode. To do this you will have to press a special power button just before the GO sign is coming to start the race. You'll have to practice before you get it right, but it's a great way to start each race with a tiny edge over your opponents. The premium game will include upgraded graphics, full career mode, championship races and arena games.
