Terms of use of The Sitemap TCL 50 CLASS 4-SERIES 4K UHD HDR ROKU SMART TV - 50S421 - Use the guide - Use the PDF guide to download or read online. TCL ROKU TVTCL 4-Series4-SERIESThe new standard in Smart TVsWelcome on TV, as you've most likely never seen before- a home screen that you can personalize with your favorite devices and streaming channels. Choose from hundreds of streaming movies and TV episodes, as well as music, sports, kids, families, international and more. You should never run out of things to watch. Note: A paid subscription or other payment may be required for some channels. The availability of channels can vary and vary by country. Get the most out of your new TVFollow these simple steps to get the most out of your new TV.1. Connect to the Internet It's simple, it's easy and it will open up the world of entertainment. All you need is a network connection. There are hundreds of free streaming channels, paid subscription services such as Netflix and Spotify, and convenient ways to rent or buy your favorite movie or show, such as google Play.2. Choose your favorite streaming channels Find the entertainment you love. From the latest blockbusters to your favorite TV shows, with tons of live sports, a wide selection of music streaming channels, popular programming in dozens of international languages, 24x7 live news and more, your new TCL Roku TV has a sweet spot. Some channels may require a paid subscription or other payments3. Find the Antenna TV show in Smart Guide only in the United States, use the Smart Guide to see not only what's on TV right now, but what was up to a week ago and what will be in the next two weeks. And for many over-the-air programs, if you start watching a program after it's already in the process, or you what you missed in the Smart Guide, you can use more ways to watch to find streaming channels where you can see the show from the beginning, find other episodes, or whole seasons of the show if applicable.4 Use Roku smart TV to make sure Added: 1-SERIES 40H4030F 1-SERIES 3-SERIES 5-SERIES TCL 43S517 Roku Smart 4K TV is 43 inches 4K TV 2018 with premium features and sweet lower price, This 4K TV looks better design among other lower-priced TV, it has a 0.35 inch bezel around the display and a 2.9 inch base that contain internal components. The back panel is metallic, including legs with colored glossy black plastic. The TCL 43S517 measures 37.8 x 22.1 x 2.9 inches, and weighs 18.5 pounds, it's a lighter and less of a better choice for a smaller home or apartment. This TV has three HDMI ports and one ARC support, one USB Port and RF Connector to connect a cable or antenna, an Ethernet port and a headphone jack. This TV also includes 802.11ac Wi-Fi. The TCL 43S517 Roku Smart 4K TV isn't really a 4K resolution, but provides Ultra HD and HDR with 60 Hz speed upgrades, it also provides excellent color quality, sharp detail and Dolby Vision HDR. The resolution looks crisp and clear. The TCL 43S517 Roku Smart 4K TV provides 99.8 percent of the color in sRGB color better than other TVs with a lower price.
