Faux leather sheets wholesale

Previous page 1 of 8 Following These leather plates are printed here in my studio as soon as the order is placed. The print time can be 2-3 days (usually earlier). The plates are 8x12 or 9x12 depending on the supplier (I use two suppliers). Some sheets can be inches off the exact 12 in length due to the way they were cut. These sheets are printed and sent 24 hours after printing. There may be a slight smell to the leather sheets due to the ink, but this goes away after being emitted. Due to the differences in monitors, there may be small color differences due to lighting. Type of material: Vinyl! It's not thin and it's not thick and stiff. It is soft yet very durable. It has a slight stretch to bend nicely around corners. The fabric is easy to sew, staple and stretch. It is UV treated and mold and mildew resistant making it the perfect vinyl for outdoor and indoor use. It is CPSIA Compliant, which means it is lead-free and safe for children and daily use. Faux Leather: Faux leather is exactly what it sounds like – fake, art, or synthetic leather. Faux leather is a bit stiffer than vinyl without stretch. Fine glitter: Sheets are much thinner than the leather. Glitter is thoroughly attached to fabric, and will not come off easily The back is a canvas white back. Patent Shiny Leather: Patent leather is a type of leather characterized by having a very bright, shiny, polished surface. There are no refunds, exchanges, or returns for custom printed sheets. Once you have received the leather, inspect you. If you think it is of good quality and you resell the item or modify the item in any way and sell it to another person, I am no longer liable.
