Opinions BetStars Mobile app BetStars online sports betting platform has a handy mobile app that welcomes players with generous registration registration Keeping existing customers on their toes with lots of promos. Features such as in-game, cash out, and new player-perfect options in the bar menu, as well as a wide range of sports, betting types and markets available make the BetStars mobile betting experience quite interesting. It would be great, however, if it were available for longer time countries and provided players with more ways to connect with customer service. What we like is that we don't like the generous welcome bonus No live chat Many markets and betting types No live streaming Constant promo Wide range of sports BetStars are now live as FOX Bet in New Jersey, PA and CO.
