Our locations remain open in these uncertain times. The safety and well-being of our teammates and customers is our top priority. We closely monitor and comply with the latest government and public health guidelines for COVID-19 and take all necessary steps to maintain a high level of cleanliness for everyone's safety. Here are some measures we take to keep our teammates and customers safe and healthy: We don't let our teammates work if they're sick. If a teammate comes to work with symptoms of illness, we immediately send a teammate home. We encourage teammates and clients to practice social distancing. We have increased surface cleaning protocols and require teammates to frequently disinfect and/or wash their hands. We recommend that customers use our website to check working hours. Please continue to check our website for any updates as we monitor the development of COVID-19. KNOW THE FACTS!
