MORE FROM ARCADE ACTION - Version: v2.2.0 (20) for Android 2.2 (Gingerbread, API 9) Updated: May 26, 2014What new: - Minor errors fixed. DOWNLOAD APK - Title: BATTLEFIELD 4™ Commander - v1.1.0 APK - Data files posted: Unknown rating: 4.0 Reviewer: 109 Game Reviews Description:- NOTE: This app requires you to own Battlefield 4™ at least on one platform, and that you have an active soldier rank 10 or higher on this platform. Go to the heart of the action with BATTLEFIELD 4™ Commander - an exclusive companion app for your BATTLEFIELD 4™ experience. Deliver critical intelligence, deploy military assets, and manage a squad-based team to play everything with your palm! COMMAND THE BATTLEFIELD Take a point and lead your team to victory wherever you are. Play on any platform server you have Battlefield 4™. Join the games directly from the app or through Battleg. COMMUNICATION IS KEY you will have to rely on your teammates to succeed. Talk to your squad directly with the full VOIP (on supported platforms). INTEL WARFARE Call in a powerful UAV to scan the area for enemy activity, or jam their radar using EMP. The information you collect is crucial to ensure your team's victory. SUPPORT YOUR TROOPS Send vehicles and materials to squads on the ground and give them an advantage over the enemy. The better your team works together, the better they will become. RAIN DOWN DESTRUCTION Turn the course of the battle with devastating cruise missile strikes. Challenge in powerful warships to circle strategic locations and help repel enemy forces. Stay in touch with Battlefield to learn about the latest game updates, tips and more...
