Dear Peters 4-6 Families, welcome to Peters 4-6 Panther Elemental Home! I am honored and proud to be your principal for the 19-20 school year. This year as always we continue with the implementation of our Strategic Plan, The Garden Grove Way. We are committed to educating the whole child by raising respectful and responsible citizens who achieve and take possession of their actions. You will often hear our Say... us ROAR!! Their support in emphasizing responsibility, property, academic achievement and respect is highly appreciated. I'm proud that our continue to provide your children with the only best instruction, using research-based strategies. We encourage you to participate, as your parental involvement plays a critical role in your child's success. Parents and families can become actively involved in their children's learning and volunteering for the PTO, parent education opportunities, fundraisers, and various classroom and school activities. Stay up-to-date on school events at Peters 4-6 by following us on Facebook at Peters Elementary School 4-6 or, of course, visiting us here on the school's website. If you need help or support please feel free to call our office. Thank you. Honestly, Gurprit Dhillon Director We are excited about another successful school year with our approximately 600 students. Our wonderful staff is committed to helping all students achieve the academic and personal skills needed for lifetime success. Our school has a strong track record of academic excellence and has been named a CA Distinguished School, a Gold Ribbon School, and a Title I School of Academic Achievement. Here at Peters 4-6, we pride ourselves on offering students with an exceptional academic program and many opportunities to thrive! Our Boys & Girls Club is up and running, providing students with daily homework help as well as a variety of fun and engaging activities. The Academic Pentathlon is a county contest for sixth graders to compete in areas of academic content with students from all over Orange County. The pentathlon team studies Topics of English, Mathematics, History and Science at an advanced level as a means of preparing for the competition. We are proud to announce that Peters 4-6 recently won first place in the district's scrimmage. The University Mentoring and Professionals Program pairs students with college mentors who serve as positive role models and help students prepare for success in middle school. Mentors also share their college experience and help students explore their college and career goals. Chess Club encourages critical thinking and problem solving as students participate in a lot of games with each other. The Art Club allows students to express their creativity while learning a variety of artistic techniques! We are committed to celebrating our students for achievements and efforts with monthly and quarterly awards. Our quarterly awards are awarded to academics for having a growth mindset, exceling academically and having a Phenomenal. Monthly prizes are awarded to students who go above and beyond to demonstrate the character trait of the month. Our PTO (Parent teacher organization), ELAC (English Apprentice Advisory Committee) and SSC (School Sites Council) meetings involve parents to support the success of our school and students! The PTO program is advertised through monthly meetings, our website, website, and in the school tent. Parents help with all assemblies, excursions, color race, fundraising and special school activities. Our monthly mobile food pantry is a farmers market style event held in partnership with Second Harvest Food Bank to prevent hunger in our community. Mark your calendars! Peters 4-6 is having a variety of fun events during the 2018-2019 school year. Here are our upcoming events: Barbecue for Parents and Students, May 3th 6th Grade Science Camp on May 22 Strawberry Stomp Run on May 26 Open House on May 31 Spring Music Concert at Don Wash Auditorium on June 4 Please feel free to stop by our school office for more information on how you can get involved in supporting our school. We value the productive partnerships we have with our parents and community members! The California School Directory and related school and district data files (collectively the Board) contain information about Schools, Districts, and Administrators of California schools and districts that local educational agencies (LEA) voluntarily report to the California Department of Education (CDE) as a public convenience. Because the information is voluntarily self-in error, the Board does not contain information for each LEA and the information found in the Directory may be out of date or have errors, omissions, typographical errors and other inaccuracies. Therefore, the information, or the absence of information, in the Board should not be trusted for any purpose and should only be used to contact the LEA. The CDE makes no representations or warranties, express or implied, with respect to the Information in the Board. Students here are progressing academically year after year above average, ... Plus this school has above-average results in how it works with the most needy students, they perform above average on state exams. Students at this school are making more academic progress from grade to grade compared to students in other schools in the state. Great progress with high test scores means students have strong academic abilities and are making greater gains than their peers at other schools in the state. Parent tips Test scores at this school are above the state average. Average test scores in some states may be so low that many students at this school are not reaching grade level. Parent tips Do you notice anything missing or confusing? Equity In this school students from the most disadvantaged communities are performing as well as other students in the state, but this school may still have differences in academic achievement. Parent Tips Student Performance Expressed in Percentiles Academic Progress Less Favored and Low-Income Student Exam Results The rest of the students at the ENVIRONMENT SCHOOL
