Thread starter aofed Start Date May 20, 2014 Hey, just wondering, can I get advice on competition jackets? I have to buy online, so I wonder about the sizes? I'm a size 12 in normal clothes I've looked at the Equi-Theme Fitted competition jacket, which has only a size 14, but it's a slim continental fit then there's a Dublin Ashby competition jacket that is at 12 but a generous fit . . . I prefer the Equi-Theme, but just not sure if the size will be correct. I searched the size of the chart online, but unlucky any help would be highly appreciated! Thank you x yes, this one! Thank you so much! Are you a kno that fit like that? Is it generous or thin? Thank you you have to log in or sign up to respond here.
