Navigate Let's Tap Download the Green Button below, wait 5 seconds and the file will be automatically downloaded. Sometimes the file is on another website, just click on the download and the file will be downloaded. For more information click on this link. You need this file below to make the game work December 18, 2018Current Version: 1.0.0.19File Size: 43MB and 1.96 GBMemorize: www.ReXdl.comThe Rockstar Games tradition is innovative, original gameplay and humorous the story invades the schoolyard in Bully: Anniversary Edition. As a mischievous 15-year-old Jimmy Hopkins you will navigate the social hierarchy of a corrupt and crumbling prep school, Bullworth Academy. Stand up to the bullies, get picked up by the teachers, beat athletes on Dodge Ball, play pranks, win or lose a girl and survive a year at the worst school around. Bully: Anniversary Edition includes everything from the critically acclaimed Bully: Scholarship Edition plus support for high-resolution displays, improved lighting and textures, and controls redesigned for touch gameplay, all while adding multiplayer with the new Friend Challenges. Friend Challenges are head-to-head class and arcade style mini-games; see who can dissect the frog faster in biology Solve the word problem in English, help the flying squirrel destroy its features; Includes the full story of Bully with additional missions, characters, class mini-games, and unlockable elements from Bully; Scholarship EditionGorgeous Graphics: High-resolution textures, dynamic lighting, shadows and particle effectsNative support for your friends anywhere with a multi-player challenge. Play on the go and receive notifications when it's your turnIntelligent touch controls with contextual buttons only when you need itseamlessly continue playing on all your devices with cloud saves through the Rockstar Games Social ClubPhysical controller supportMobile version developed in conjunction with War Drum Studios.
