Butler county schools salary schedule

Page 2 According to statistics released by the Department of Public Health in Alabama, Butler County is currently classified as a high-risk area for COVID-19 cases and has experienced a significant increase in the number of positive cases in recent weeks. As an ongoing effort to protect the health and safety of students and staff, students of the Butler County school system will not return to school instruction immediately after the winter break. All students will complete tasks remotely from home on January 5, 2021 to January 15, 2021. Students who chose teaching at the school will return to school campuses on Tuesday, January 19, 2021. All employees will report to work as scheduled regularly on Monday, January 4, 2021. The ABC student program, provided by the ADECA, will end on December 30, 2020. Families who have repaid their vouchers will continue to be serviced until December 30, 2020, when the service will be stopped automatically unless the family arranges otherwise with their service provider. Families will not have to take any action and will not be charged until December 30 for the internet service provided by the ABC to students. As required by Alabama Law 95-313, the Butler County Board of Education makes fiscal year 2019-2020 reports available to media, parent organizations and legislators. The financial report, student achievement report, and school safety and discipline report (SIR) for the Butler County school system are available for review on the school system's www.butlerco.k12.al.us. Student achievement scores have not been reported for 2019-2020. Alabama was granted a waiver for 2019-2020 by the U.S. Department of Education due to COVID-19. Student achievement data for previous years is available on the Alabama State Department of Education's www.alsde.edu website under the AL Education Report card, supporting data. In an effort to fully discover and fully update our parents, we will provide weekly updates on COVID cases identified among staff and students. The dashboard will be updated every Tuesday afternoon. Gov. Ivey pledged \$100 million in aid, aid and economic security (CARES) funding to provide free Internet access to eligible K-12 students in their homes this fall. The state of Alabama uses funds to purchase Internet services for low-income households with K-12 students so students can participate in distance learning. This service is managed through Alabama's Student Broadband Connectivity Program. For more information, click the Read more button below.
