We plan to help you save time and avoid mistakes, so you can navigate through this whole process quite smoothly. If in doubt, please talk to our advisors first Toppr. The main JEE application form is completely online and there is no offline component or downloadable application form. Here are some steps you need to follow:Step 1: Fill out the application formEnter all the details while filling out the online application form and choose a strong password and a security question with a relevant answer. After entering the data, an application number will be generated and it will be used to complete the remaining steps. Make sure you note down this number. After you register, you can use this number and password for additional logins. Don't share your login credentials with anyone, but make sure you remember them. Step 2: Upload scanned images Scanned images of photos, thumbprint and signature should only be in JPG/JPEG format. While uploading your photo, signature, and thumbprint, check its preview to verify that they've been uploaded correctly. You will be able to change/correct the data before paying taxes. Step 3: Payment of application fees for JEE (Principal) is made by debit card or credit card or E Challan.E-challan must be downloaded while applying and payment must be made in cash at Canera Bank or Syndicate Bank or ICICI bank. After successful payment, you'll be able to print the confirmation page. If the confirmation page is not generated after payment, then the transaction is cancelled and the amount will be refunded. Step 4: Select Date/SlotIf you have opted for signNow – 1 Computer Examination, you must select the date/slot after paying the Preview Fee.If you do not select the date/slot, you will be assigned the date/slot randomly, subject to availability. If you feel ready to start by filling out the application form, pleaseclick here. Also, if you are in the final stages of the exam preparation process, you can brush your concepts and solve difficult problems on Toppr.com to improve your accuracy and save time. The procedure for filling out the CAT application form is very simple. I'll try to explain it to you in simple words. I provided a link below for the CAT registration. See, first you have to register, then fill in the details in the application form, upload images, pay the registration fee and finally submit the form.
