Download Guests cannot request updates! Six-Guns: Gang Showdown - atmospheric westerns for Android devices. The main character here is cowboy Buck Crossou. He successfully simulates his death to avoid the death penalty. So he was on his way to Arizona, where his adventures begin, including an encounter with witches, bloodthirsty vampires and other unclean forces. The benefit always has a reliable Colt, ready to send the undead back to the afterlife. Player waiting for a lot of missions, an impressive arsenal of weapons in those years, horse racing, cowboy clothes - in a light, all those things we love about the Wild West. Andro-Mod » Games » Mod » Six-Guns: Gang Showdown (MOD, Unlimited Money) Six-Guns: Gang Showdown – a Hollywood blockbuster with the atmosphere of the Wild West, a GTA-style storyline and unusually implemented combat mechanics that force the almost unmistakable shooting. The mobile west of gameloft developers begins with a tragedy: the main character was left without a family at the behest of unknown thieves and bandits, and therefore forced to take revenge, looking for opponents of breasts on the outskirts of yellowish deserts and magnificent canyons. And to act in Six-Guns: Gang disassembly will have to be quick: and therefore you can not do without horses for chases, torture (and where else get important information?) And chastened revolvers that don't forgive other people's mistakes. Six-Guns: Gang Showdown – a dynamic, story-based action movie with an expressive Wild West atmosphere, unpredictable flora and fauna, and fatal shootings unfolding every moment. In terms of gameplay, Six-Guns: Gang Showdown is a classic representative of the genre: developers immediately introduced drama, added a hint of complexity, and took care of the continued development of role-playing. The main character is able to buy real estate and upgrade weapons, seal horses and stay out half his free time in atmospheric bars with strong drinks and odorous cigarettes. Six-Guns: Gang Showdown - this is a great action adventure, set in the Wild West. The game begins with the fact that the main character leaves the execution site, faking his death. Having ended the past, the hero decides to start life over. However, old periodic habits are felt. Thanks to them, the actor again, it seems, even his ears in trouble. The local sheriff was attacked by criminal structures, alone to restore justice, is not possible, so asked the player for help. There will be a bloody confrontation with the bandits, defeating them, you save a beautiful lady, and as a token of gratitude play the lottery. A great chance to get new equipment or weapons. Now you are free of obligations and the gently opened his arms to you. You can go in any direction, but at every step the player waiting for dangerous dangerous and malicious offenders. The villagers suffer greatly from their attacks, and only you are able to restore justice. Feel free to enter the battle and conquer great victories over evil, coming out of difficult absolute winning changes. If the fight against natural villains is no longer interesting to you, go to the cemetery and fight ghosts and dead. From their laughter, the blood cools in the veins, and the situation itself is drawn in a very qualitative and natural way. To help provide a variety of elixirs and drugs, without which to fight evil spirits a little difficult. The only downside is the need to buy the necessary items for real money. The rest of Six-Guns: Gang Showdown on Android is a quality action with colorful graphics and realistic dubbing. The game is totally russified.
