According to the company, more than 7 million merchants across India use this code to make payments directly to their bank account. The headquarters of History Paytm in Noida, India Paytm was founded in August 2010 with an initial investment of \$2 million by its founder Vijay Khakhar Sharma in Noida, a region adjacent to the Indian capital New Delhi. It started as a prepaid mobile and then added card data, postpaid mobile and landline bill payments in By January 2014, the company had launched Paytm Wallet, which Indian Railways and Uber added as a payment option. He started out in e-commerce with online deals and bus tickets. In 2015, it unveiled more uses such as education fees, subway recharge, electricity, gas and water charges. It has also begun work on a payment gateway for Indian railways. In 2016, Paytm launched movies. events and tickets to amusement parks, as well as booking flights and Paytm 13 in the same year, it launched rail bookings and gift cards. Paytm's registered user base grew from 11.8 million in August 2014 to 104 million in August 2015. Its travel business has crossed \$500 million year-on-year GMV to run speed, with 2 million tickets booked per month. In 2017, Paytm became india's first payment application to across more than 100 million app downloads. In the same year, the company launched Paytm Gold, a product that allowed users to buy just ₹1 pure gold online. It has also launched Paytm Payments Bank and Inbox, a chat messaging platform among other products. By 2018, it has begun allowing merchants to accept Paytm, UPI and card payments directly into their bank accounts on a 0% charge. He also launched the Paytm for Business app, now called Business with Paytm App, which allows merchants to instantly track their payments and day-to-day calculations. This led to the fact that by March 2018 its trading base grew to more than 7 million. The company has launched two new capital management products, Paytm Gold Savings Plan and Gold Gifting, to simplify long-term savings. In January 2018, Paytm entered into a joint venture with Alibaba Group-owned gaming company AGTech Holdings to launch the Gamepind mobile gaming platform. Gamepind was later renamed Paytm First Games in June 2019. In March 2019, Paytm Money was created with an investment of ₹9 kronor to bring investment and wealth management products to Indians. In March 2019, Paytm launched a subscription-based loyalty program called Paytm First. In May 2019, Paytm, in partnership with Paytm, allowing its customers to order food online during the coronavirus pandemic (COVID-19). Funding and Shareholder Share Vijay Hehar Sharma 14.67% Ant Financials 29.71% SoftBank Vision Fund 19.63% SAIF Partners 18.56% AGH 7.18% Berkshire Hathway 2.76% Other 7.49% Total 100.0% In October 2011, Sapphire Ventures (fka SAP Ventures) invested \$10 million in One97 Communications Ltd. In March 2015, Paytm received its huge stake in E-commerce company Alibaba Group, after Ant Financial Services Group, a subsidiary of Alibaba Group, took a 40% stake in Paytm as part of a strategic agreement. Soon after, he got received by Ratan Tata, MD Tata Sons. In August 2016, Paytm raised more than \$5 billion in financing from Mountain Capital, one of MediaTek's Taiwanese investment funds, in May 2017, and in May 2017, Paytm received its largest round of shares from one investor, SoftBank, which resulted in a valuation of \$10 billion. that Warren Buffett was not involved in the deal. On November 25, 2019, Paytm raised \$1 billion in a financing round led by U.S. asset manager T Rowe Price along with existing investors Ant Financial and SoftBank Vision Fund. Investments and Acquisitions In 2013 Paytm acquired Plustxt for less than \$2 million. Plustxt was started by IT graduates Pratyush Prasanna, Parag Arora, Lokesh Chauhan and Lohit V, who allowed a guick text message in any Indian language. In 2015, Paytm invested \$5 million in auto-rickshaw aggregator and hyperlocal delivery firm Jugnoo to scale its operations across the country and improve driver efficiency. It has also acquired the Delhi-based consumer behavior forecasting platform Shifu and the launch of local Near.in. In 2016, Paytm invested in logistics startups LogiNext and XpressBees. In April 2017, Paytm invested in health start-up Or'L, which uses artificial intelligence (AI) and big data to help doctors improve productivity and guality of care, as well as enable patients to better manage their health. In July 2017, it acquired a majority stake in the online ticketing and event Insider. in platform with the support of event management company Only Much Louder (OML) and mobile loyalty startup Mobi'st. In the same year Paytm acquired Little and Nearbuy and merged the two. In June 2018, the company acquired the startup Cube26. In July 2015, One97 Communications, which owns the Paytm brand, acquired the title sponsorship rights to domestic and international cricket matches in India for four years starting in August 2015. Rights include branding the series by a sponsor with the title sponsor logo, designation as the title sponsor of the series, visibility at the stadium and sponsorship rights to the broadcast. This also includes all BCCI domestic (Ranji Trophy, etc.) matches in India. Paytm previously acquired sponsorship rights during the 8th season of the Indian Premier League. He also served as an associate sponsor on the Sony TV network (which has TV rights for IPL) and was the official partner of the Mumbai Indians' IPL team. In March 2018, Paytm became an IPL umpire partner for five years. Paytm Payments Bank Paytm Payments Bank logo In August 2015 Paytm received the reserve bank's license to start a payment bank. Paytm Payments Bank is a separate structure in which founder Vijay Khehar Sharma will have a 51% stake, One97 Communications owns 39% and 10% will be owned by a subsidiary of One97 and Sharma. The bank was officially opened in November 2017 by Indian Finance Minister Arun Jaitley. The inauguration ceremony was attended by prominent bank figures, including the former RBI executive. Bhaskar, director of Shriram Group GS Sundarajan. By the end of 2018, more than 100,000 bank outlets across India had been launched. However, bank branches have yet to touch double digits. Paytm Payments Bank has appointed veteran banker Satish Kumar Gupta as its new managing director and CEO. Paytm Mall is a B2C model inspired by China's largest retail platform, B2C TMall. Sellers must go through Paytm certified warehouses and channels to ensure consumer confidence. Paytm Mall has established 17 performance centers throughout India and collaborates with more than 40 couriers. Paytm Mall raised \$200 million from Alibaba Group and SAIF Partners in March 2018, it posted a loss of about 1,800 kronor with revenue of 774 kronor for fiscal 2018. In addition, Paytm Mall's market share fell to 3% in 2018 from 5.6% in 2017. Controversy In May 2018, the Indian investigative news agency Cobrapost published a video of a secret meeting of a reporter with Paytm Vice President Ajay Shehar Sharma, who is the brother of Vijay Shehar Sharma. During the meeting, he reportedly stated that the company had provided the Indian government with the personal data of Paytm users in the Indian state of Jammu and Kashmir, violating users' privacy and policies. Buzzfeed later reported that Sharma had close ties to India's ruling Bhartiya Janata Party. Meanwhile, in response, the company tweeted that it had never shared user data with third parties, denied the content of the video and said it had never received requests from law enforcement on Twitter. Paytm also stated that anyone claiming otherwise does not know about the policy and is not authorized to speak on behalf of the company. Paytm alleges that telecommunications companies do not block numbers used for phishing activities and has sued them in the Delhi High Court for ₹100 kronor in damages. On September 18, 2020, the official Paytm app was briefly not on the Google Play Store list, allegedly due to violations of the Play Store's gambling policy. Paytm compared the sudden removal of its app to Google's hand-wringing. Company that Google does not offer any prior warnings Give the company a chance to explain their views on the controversial cashback offerings, claiming that google's own payments app Google Pay offered similar cashback offers and suffered no impact. Donating during the COVID-19 pandemic in India, Paytm has decided to make ₹10 to every user who pays to the PM CARES fund through its app. It aims to donate ₹500 crore, and within ten days they have collected ₹100 crore in their app. Their 1,200 employees contributed their 15 days or even several months of their salary to the fund.
