Download Guests can't ask for updates! Legends of Stickman: Ninja Warrior - Shadow of War - quincy quincy Plot here is weak and nothing particularly new in the development of the industry does not bring, but it is worth paying attention to the gameplay itself. People have already completely lost any hope, but at the other end of the map is a settlement of brave fighters, who from a young age trained to protect people. To fight evil went a young, but quite experienced warrior Shido. Legends Stickman: Ninja Warrior - Shadow of War . . . . . However, the creators of the game still tried to make the gameplay as diverse as possible, adding to it more different kinds of swords and other attributes. ZITHGA Android 5.0 - Version: 2.4.69 \$0 Stickman Legends (MOD, Unlimited Money) - horizontal action platform with shooting elements, in which you have to go through several dozen levels, using a wide range of weapons from conventional knives to heavy artillery. Each level is a dynamic battle against groups of bloodthirsty killers and huge bosses. Separately, it is worth noting an unusual graphic solution, combining dark colors and bright animation. Updated at 2.4.69 a.m. Stickman Legends - This game is the largest combination of role-playing games (RPGs), action and shooting games. With plenty of sword, archer, pistol, fire and ball, you will be brought into the world of great adventures. Like other fighting games, you will have to deal with many monsters and powerful opponents. In addition, you have the opportunity to mount your shooting skills in gun games. You will love the graphic and sound effects of this game. Be a hero, do some powerful crazy magic and turn on the world of darkness. Also, at the end of each level, there is a slow motion that will surprise you to the max. Use It is reasonable to fight with the maximum effect!
