Collect all the Pakka Pets and build the coolest village! Cute cute & amp; insanely cute. Use your creativity to design your own unique world and see how much... 2016-11-02T04:41:50.000ZHere are the top 10 10 You should know for Pakka Pets Village.1. Information is Power• You can hold down every item in your fridge or in alchemy to read the statistics. 2. Bedtime. Your pet likes to sleep with the lights off, just like you. If you are thinking of turning the lights off when your pet goes to bed for the night, metabolism and happiness will slow down to a crawl, making it comfortable and happy all night long.3. Power evolves• Discovering an elusive and difficult pet? Your pets can be developed quickly by feeding them food with evolving points. The evolution of your pet is based on their average happiness and hunger since their last evolution. Caring for your pet immediately after it evolves will be averages sky-rocket, creating a perfect moment to re-evolve it for a great result. Also, don't forget to use the inspector item: it will tell you which pet you're on your way to arrive at a certain time.4. Gems• Including a gem when creating a gem, you guarantee you'll get an item with evolve stats or something rarer. Once you unlock the cave location, you can mine gems every day.5. Super rare items • The store's inventory changes every few hours, but check each category when this happens. Sometimes extremely rare items • The store's inventory changes every few hours, but check each category when this happens. bring your pet back to life, or ghost bottles that help you catch the sprits of the dead. Page 2 • Unlike most games, phone notifications are actually super important and can be tailored to your playing style through the Pakka phone settings menu. Since Pakka Pets Village is a game about caring for your pet and attentive care results in special pets, setting your notifications to let you know when your pet has started to be hungry or unhappy is an easy way to stay attentive and discover the rarest pets. 7. Mystery Pets • The pets that are under a certain egg in your Pakka book aren't the only ones discovering you from that egg. There are 12 mystery pets that can be discovered by treating or feeding your pet in special, unusual ways. Good luck discovering them all. 8. The larger the population, the easier it is to build • With your Pakka Village, it's important to focus on leveling and adding pets to your village population. The more pets in your village live on a certain level, the fewer hearts you need to go up a level. You quickly bump your population by controlling the power evolves, using the to plan your evolutions or get a new egg. 9. The bigger the village, the bigger the game • Each level you reach in your Pakka Village will earn you more space to build, new materials to work with and more radish plots to work with. But you will also discover new places to travel to the World. If you level up the game will be much bigger, so it's important not to underestimate the value of getting a level. 10. Rare poop? • If you're lucky, you can also evolve your pet's poo. When you are cleaning your pet business, there is always a chance that the poo will evolve and reward you with a rare item. Edit Visit the Pet Care Strategies page to learn more about how evolutions List for requirements to obtain certain Pakka.
