GMD Trailed Disc Mowers GMD 283 TG and 313 TG NEW TRAILED DISC MOWERS GMd 283 tG and GMd 313 tG trailer disc mowers are a clear choice for proven grass harvesting. These mowers have a lower need for tractor horsepower, easier attachment and excellent stability compared to fully installed disk mowers. the new tG series is also a practical alternative to the mounted disk mower and the caddy combination. these new models offer the benefits of higher work rates, simple adjustments, and a proven kuHn 100 series disk cutter. Gyrodine® available in drawbar or two fastening, eliminates Pto chatter and minimizes ujoint wear and problems. turns over 90 degrees are possible subject to unsurpassed unsurpassed The superb maneuverability of the MuLTI-DISC DESIGN Innovative Kuhn Features a trailer mower design reduces the size requirements of the tractor compared to fully installed disc mowers that cut into the nine and ten feet class.
